## TDA | ITALIAN BATHROOM ART

Radicata nel cuore industriale della provincia di Brescia, **TDA** nasce dall'incontro tra tradizione e innovazione. Guidata da Luca e Marco Domeneghini, l'azienda è sinonimo di coerenza, passione e determinazione, valori che si riflettono in ogni prodotto realizzato.

Siamo tra le poche realtà italiane a produrre integralmente sul territorio pareti doccia, piatti doccia e mobili da bagno, seguendo un processo interno che unisce rigore artigianale, cura dei dettagli e controlli costanti di qualità e sicurezza. Ogni manufatto TDA è frutto di materiali selezionati, competenze aggiornate e un design italiano distintivo, pensato per durare nel tempo e rispettare l'ambiente.

Il nostro marchio dedicato all'arredo bagno nasce nel 1982 con il nome **CIMA ARREDOBAGNO**. Fin dall'inizio ci siamo dedicati a tutto ciò che poteva arricchire l'ambiente bagno con colore, materia e innovazione, prima con gli arredi, poi con le pareti doccia, fino al 2012, anno in cui abbiamo introdotto il nostro esclusivo materiale composito **AROCK®**, che ci ha permesso di realizzare i primi piatti doccia e successivamente piani e lavabi dal design unico.

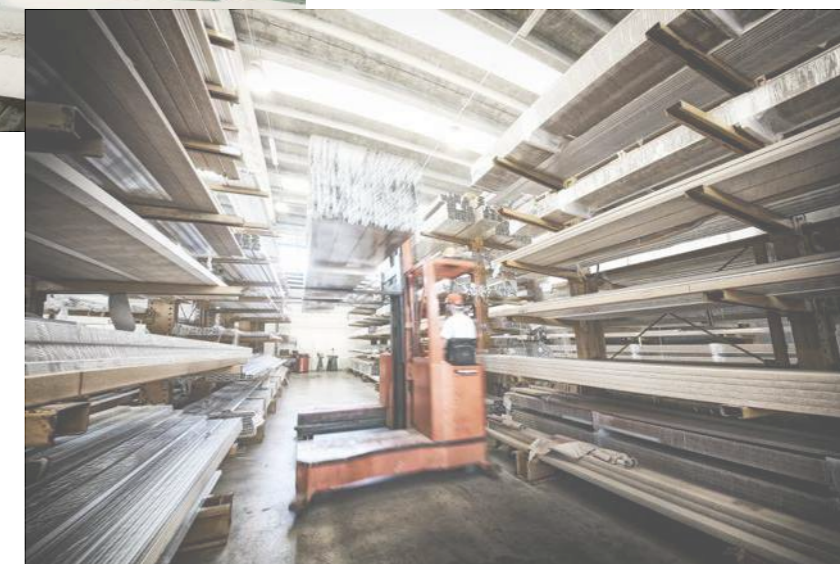

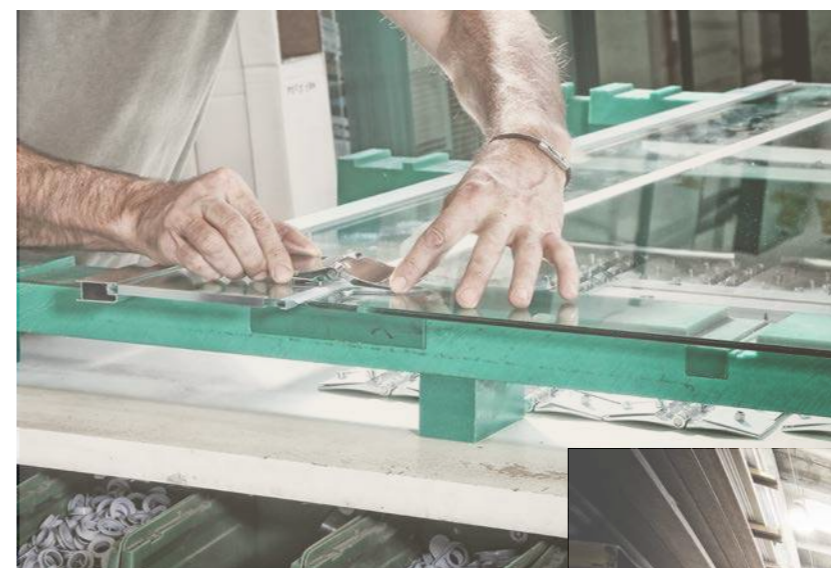

Made in Italy per noi non è solo un'etichetta, ma una filosofia: ogni prodotto è realizzato a mano, con orgoglio, nei nostri stabilimenti a pochi chilometri l'uno dall'altro, portando avanti la cultura bresciana e l'eccellenza italiana nell'arredo bagno.

Rooted in the industrial heart of the province of Brescia, **TDA** was born from the meeting of tradition and innovation. Led by Luca and Marco Domeneghini, the company stands for consistency, passion and determination, values that are reflected in every product we create.

We are among the few Italian companies that manufacture shower enclosures, shower trays and bathroom furniture entirely within the local area, following an in-house process that combines artisanal precision, attention to detail and constant quality and safety controls. Every TDA product is the result of carefully selected materials, up-to-date expertise and distinctive Italian design, created to last over time while respecting the environment.

Our brand dedicated to bathroom furnishings was founded in 1982 under the name **CIMA ARREDOBAGNO**. From the very beginning we focused on everything that could enrich the bathroom environment with colour, materials and innovation: first with furniture, then with shower enclosures, until 2012, when we introduced our exclusive composite material **AROCK®**. This allowed us to create our first shower trays and later countertops and washbasins with a unique design.

For us, Made in Italy is not just a label, but a philosophy: every product is handcrafted with pride in our facilities located just a few kilometres from one another, carrying forward the culture of Brescia and the excellence of Italian bathroom design.

## IMPORTANTE NOTE

### Invio ordini | Sending orders

Gli ordini vanno inviati all'indirizzo e-mail **commerciale@tda.it**

Orders must be sent to the following e-mail address: **commerciale@tda.it**

### Misure | Dimensions

Se non diversamente indicato, nel presente listino prezzi, le misure sono espresse in cm.

Except where stated otherwise, all dimensions in the present price list, are expressed in cm.

### Colori e finiture | Colours and finishes

I colori e le finiture riportati in questo listino prezzi sono da considerarsi indicativi.

La corretta valutazione di colore e tonalità deve sempre far riferimento alla cartella colori in vigore o ai campioni fisici di TDA.

All colours and finishes given in this price list are considered to be indicative.

For an accurate evaluation of colours and shades please refer to the current colour chart or to the TDA physical samples.

## QUALITA' CERTIFICATA e GARANZIA GUARANTEED QUALITY and WARRANTY

Prima di essere destinati alla vendita tutti i prodotti TDA vengono sottoposti a controlli specifici per garantire l'assoluta integrità e la loro conformità. Le pareti doccia TDA rispondono agli standard qualitativi e di sicurezza della normativa europea vigente in materia EN 14428:2018 e sono marcati con la sigla CE sugli imballi. Le versioni in lingua delle differenti DoP (Declaration of Performances) possono essere scaricate dal nostro sito web **www.tda.it**.

TDA garantisce i propri prodotti per 24 mesi a partire dalla data di acquisto secondo le normative Europee vigenti in materia. La garanzia TDA copre esclusivamente i difetti di fabbricazione o di assemblaggio.

Eventuali difetti estetici o strutturali della parete doccia vanno segnalati a TDA per iscritto, a mezzo email o fax, corredati dal documento d'acquisto e da immagini fotografiche. Tutto ciò prima di procedere con il montaggio della parete doccia, qualsiasi difetto segnalato ad avvenuto montaggio non sarà risarcito.

TDA si impegna ad intervenire tempestivamente nel garantire la riparazione o sostituzione degli elementi riconosciuti difettosi. Non sono contemplate eventuali richieste di indennizzo da parte dell'acquirente derivate da disagi e costi aggiuntivi.

Sono esclusi dal servizio di garanzia TDA:

- danni imputabili al trasporto non segnalati per iscritto al trasportatore al momento dello scarico
- rotture dei vetri causate dalla movimentazione manuale o da impatti accidentali durante l'utilizzo
- danni causati da installazioni non eseguite secondo le istruzioni di montaggio TDA
- danni arrecati da interventi di personale non competente e non autorizzato
- difetti del prodotto dovuti alla normale usura oppure a uso improprio da parte del fruitore
- difetti o malfunzionamenti riconducibili all'uso da parte del fruitore di prodotti non idonei per la pulizia
- malfunzionamenti riconducibili a cause di forza maggiore
- manomissioni da parte dell'acquirente.

TDA declina ogni responsabilità per danni a persone, animali e/o cose causati da errate installazioni e/o regolazioni, dallo scorretto utilizzo o da mancate manutenzioni periodiche e dalla mancata scrupolosa osservanza della documentazione allegata al prodotto.

TDA garantisce la disponibilità dei pezzi di ricambio fino a 2 anni dall'uscita di produzione del codice prodotto e successivamente fino a esaurimento delle scorte.

Before being able to place TDA's products on the market for sales to the customers, they are subject to specific quality controls, which guarantee their integrity and conformity to required standards. TDA's shower enclosures respect the quality and safety standards implemented by the European Normative EN 14428:2018. In addition, they are marked by the CE, visible on their packaging. On TDA's website, **www.tda.it**, it is possible to download copies of the DoP (Declaration of Performances) in different languages.

In accordance with the current European Normative, TDA provides warranty on their products for 24 months from the purchasing date. TDA's warranty covers exclusively the defect issues that accrue during the manufacturing or packaging of the products. Potential and external issues related to the design and structure of the shower enclosure need to be documented via email or fax to TDA with attached pictures of the product and purchasing documents. Please consider that TDA needs to receive this documentation before the placement of the shower enclosures. As a result, if anything is reported once the shower enclosures are already installed, the reimbursement will not be processed. TDA is very committed to solve any issue in a timely manner to guarantee either the reparation or replacement of the defective parts and items. Potential requests of reimbursement caused by any sort of inconvenience, additional costs, etc. will not be considered eligible. As follow, a list of items excluded from the services covered by TDA's warranty:

- damages during the products' shipment that has not been reported on a written notice to the freight forwarder at the moment of loading.
- glass' breaking caused either by the manual movements or accidental impacts during the product's usage.
- damages caused by the inappropriate product's placement, which did not follow the correct TDA's instructions for installation.

- damages caused by unqualified and unauthorized personnel
- blemishes caused by the natural wear of the product
- blemishes or malfunctions caused by the inappropriate use and cleanliness of the product by the user
- malfunctions caused by force majeure
- alterations by the buyer.

TDA rejects any responsibility of damages to people, animals, and/or things caused either by wrong installations, the incorrect use of regulations, or the inappropriate use of the product. In addition, TDA is not responsible for damages derived from the buyer's negligence of implementing periodical servicing and overlooking important information and documentation related to the product.

TDA guarantees the availability of replacement parts for 2 years from the launch of the product code's production until the depletion of the stockpiles.

### HOW TO READ THE PRICE LIST

#### Legenda dei simboli | Symbols legend

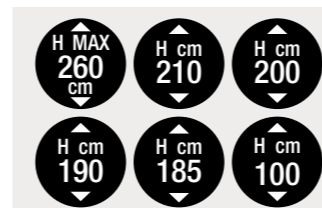

Per semplificare la lettura del listino sono presenti simboli che identificano le caratteristiche tecniche di ogni modello.

To simplify reading the price list, there are symbols identifying the technical characteristics of each model.

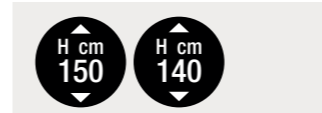

ICONA GENERICA H cm  
il simbolo indica la presenza di altezze multiple nella serie

GENERIC ICON H cm  
the symbol indicates multiple heights

ALTEZZA PARETE DOCCIA  
il simbolo indica l'altezza standard per ogni serie di parete doccia

SHOWER ENCLOSURE HEIGHT  
this symbol indicates the standard height for any shower doors' series

ALTEZZA PARETE SOPRAVASCA  
il simbolo indica l'altezza standard per ogni modello di parete sopravasca

BATHTUB PANEL HEIGHT  
this symbol indicates the standard height for the different bathtub panel models

ICONA GENERICA SP mm  
Il simbolo indica la presenza di diversi spessori delle lastre nella stessa serie

GENERIC ICON SP mm  
the symbol indicates different glass thicknesses in the same series

SPESSORE VETRO  
il simbolo indica lo spessore della lastra in vetro

GLASS DEPTH  
this symbol represents the glass panel's depth

SPESSORE VETRO  
il simbolo indica i due spessori della lastra in vetro entrambi presenti nel modello

GLASS DEPTH  
the symbol indicates the two glass panel thicknesses both present in the model

SPESSORE ACRILICO  
il simbolo indica lo spessore della lastra in acrilico

ACRYLIC DEPTH  
This symbol indicates the acrylic panel's depth

SPESSORE ACRILICO / VETRO  
il simbolo indica che il modello viene realizzato sia con lastra in vetro che in acrilico

ACRYLIC / GLASS DEPTH  
This symbol indicates that the model is made of both glass and acrylic plates

REVERSIBILE  
il simbolo indica che la parete doccia non necessita di informazioni sul verso d'installazione

REVERSIBLE  
this symbol indicates that the shower enclosure does not require information about the installation side

NON REVERSIBILE  
il simbolo indica che la parete doccia necessita di informazioni sul verso di installazione (DX/SX)

NON-REVERSIBLE  
this symbol indicates that the shower enclosure requires information about the installation side (RH/LH)

## Tipologia | Types

La scelta di una parete doccia rappresenta un momento di forte personalizzazione della stanza da bagno.

Il listino TDA ha individuato tre tipologie che identificano le maggiori esigenze e tendenze di un pubblico globale.

The choice of the shower enclosure is fundamental in the personalization of the bathroom style and design. TDA's catalog identifies three different types of shower enclosures.

These diverse types represent the major trends and needs of the global public.

**walk-in**

|                 |
|-----------------|
| <b>IT</b> Italo |
| <b>VI</b> Vito  |
| <b>RO</b> Rocco |

è la tipologia di parete doccia derivante da un ideale di **libero spazio** e libera installazione. Nei fatti le tre serie qui elencate esaltano il concetto di libertà offrendo la scelta di telaio perimetrale, profilo laterale e fissaggio a soffitto. Nessun ostacolo per il montaggio a centro stanza e un deflettore per chi utilizza fiumi di acqua, acquistabile anche a posteriori.

it is the type of shower enclosure derived from the idea of **free space** and installation. In practice, the three series that we have mentioned enhance the concept of freedom by offering the opportunity to choose between perimetric frame, side profile, and ceiling fastening.

There are no obstacles to assemble the product in the center of the room with a deflector for those that use a lot of water, which can be purchased consequently.

**con profilo verticale / with vertical profile**

|                       |
|-----------------------|
| <b>EN</b> Enzo        |
| <b>FR</b> Frigo       |
| <b>IS</b> Inox Scroll |
| <b>IR</b> Inox Rail   |
| <b>PL</b> Pluma Evo   |
| <b>GA</b> Gaia        |
| <b>MO</b> Mork        |
| <b>MI</b> Mindy       |
| <b>VO</b> Volo        |
| <b>FO</b> Font        |

è la tipologia di parete doccia con un **profilo verticale** e dettagli estetici come cerniere e binari di scorrimento che impreziosiscono e rafforzano il prodotto in assenza di telaio. L'estrema sensazione di leggerezza della parete doccia è trasmessa dalla libertà verticale delle lastre. Lo scorrimento con il pattino autolubrificante garantisce un basso coefficiente d'attrito e una elevata elasticità e sicurezza di movimentazione dell'anta.

is the type of shower enclosure with a **vertical profile** and aesthetic details such as hinges and sliding rails that embellish and strengthen the product in the absence of a frame. The extreme feeling of lightness of the enclosure wall is conveyed by the vertical freedom of the glass panels. The sliding with the self-lubricating skate guarantees a low coefficient of friction and a high elasticity and safety of the door's movement.

**con telaio / with frame**

|                     |
|---------------------|
| <b>EL</b> Elio      |
| <b>OT</b> Ottavio   |
| <b>DM</b> Dado Maxi |
| <b>DN</b> Dino      |
| <b>SD</b> Spado     |
| <b>CO</b> Comfort   |

è la tipologia di parete doccia con un **telaio ornamentale**, in finiture diverse, posto a racchiudere il vetro. Consente l'installazione del prodotto sia con apertura a battente che con apertura scorrevole posizionato in nicchia, ad angolo e a tre lati. Le pareti doccia di grandi dimensioni posate a pavimento così come su piatto hanno un impatto di sicura robustezza.

it is a type of shower enclosure with an **ornamental frame** and different finishes to contain the glass. It enables the product's installation with both hinged opening and slide-opening positioned in the niche, in the corner, or on the three sides. The shower enclosures with large dimensions create a strong effect and give strength to the product. This type of shower enclosures can be placed directly on the floor or on the shower's tray.

## Legenda aperture e Rubricatura | Key to different types of opening and Index tabs

Le tre tipologie di Pareti doccia, Walk-in, con profilo verticale e con telaio, sono identificate dal relativo colore, riportato nella rubricatura del listino con l'obiettivo di agevolarne la lettura.

The three types of shower enclosures, Walk-in, with vertical profile and with frame, are identified by their respective colour, which is shown in the price list heading for easy reading.

**INOX**

È la finitura dei profili delle pareti doccia SCROLL e RAIL.

It is the line of the catalog that includes the following finishing:

**25**  
 Inox

## Colori verniciati | Lacquered colours

Il ciclo di verniciatura viene eseguito internamente con impianti all'avanguardia. La finitura superficiale è opaca e include tutti i colori della cartella Colours Trend di TDA. Nella categoria COLORI, tutti i componenti della parete doccia vengono realizzati con lo stesso colore.

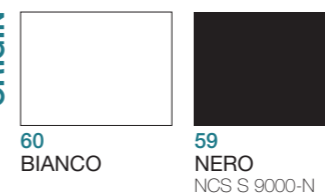

The cycle of coating is done internally by advanced systems and machineries. The external finishing is matt and includes all the colors presented on the TDA's colors sample Colours Trend. In the COLOURS category, all shower enclosure components are produced in the same colour.

**ATTENZIONE**  
 Gli stessi colori applicati a materiali diversi possono subire leggere variazioni cromatiche.

**NOTE**  
 Colours can incur slight chromatic changes if applied to different materials.

**ATTENZIONE**  
 I colori e le finiture riportati in questo listino prezzi sono da considerarsi indicativi. La corretta valutazione di colore e tonalità deve sempre far riferimento alla cartella colori in vigore o ai campioni fisici di TDA.

**NOTE**  
 All colours and finishes given in this price list are considered to be indicative. For an accurate evaluation of colours and shades please refer to the current colour chart or to the TDA physical samples.

**ORIGIN**

Tabella delle disponibilità | Classification of the finishes

I vetri utilizzati per le pareti doccia TDA sono temprati e rispondenti alla normativa EN 14428:2018. La tempra è un processo chimico-fisico che prevede il riscaldamento del vetro oltre i 600°C e il suo rapido raffreddamento per bloccare le superfici esterne in uno stato di compressione e la parte interna in uno stato di tensione. Terminata la tempra nessuna altra lavorazione come taglio, foratura o molatura dei bordi è eseguibile. Il vetro temprato è considerato di sicurezza perché in caso di rottura si dissolve in piccoli pezzi come previsto dalla normativa citata. Per prevenire il fastidioso accumulo di calcare sui vetri delle pareti doccia, TDA propone Neverdrop® un prodotto altamente performante a base di nanoparticelle.

The glasses utilized for the creation of TDA's shower enclosures follow the EN 14428:2018 Normative. The hardening is a process of chemistry and physics that requires the heating of the glass to reach 600°C and above and its rapid cooling to lock the external surfaces in a compression status and the internal part in a status of tightness. Once the hardening is done, it will be impossible to complete any other processing, such as cutting, drilling, or side grinding. Toughened glass is considered safety glass because it dissolves into small pieces in the event of breakage, as it is outlined in and required by the Normative mentioned above. In order to prevent the annoying accumulation of limestone on the glasses of the shower enclosures, TDA proposes Neverdrop®, a high-performance product made of nanoparticles.

L'innovazione fa parte del DNA di TDA, soprattutto quando si tratta di semplificare la manutenzione quotidiana delle pareti doccia. Abbiamo adottato quindi due soluzioni tecnologiche all'avanguardia: un **trattamento protettivo** basato su nanotecnologie che ostacola la formazione di calcare sulle superfici vetrate, e un **vetro dotato di speciale finitura antiossidante**, pensato per preservare brillantezza e trasparenza nel tempo.

**Trattamento per il vetro NEVERDROP® | NEVERDROP® glass treatment**

NEVERDROP® è l'esclusivo trattamento per il vetro di TDA. E' un rivestimento nanotecnologico di semplice applicazione che, mediante silice nanostrutturata, forma un film protettivo sulla superficie del vetro riducendo la rugosità media e aumentando la naturale idrorepellenza. Il film che si forma sul vetro agevola lo scivolamento dell'acqua, facilitando la pulizia e impedendo l'adesione di sporco, calcare ed impurità nelle microporosità.

I vetri trattati con NEVERDROP® possono essere puliti con spugne morbide, panni in microfibra o con un tergovetro in silicone. I comuni prodotti per la pulizia sono utilizzabili evitando detersivi in polvere, sostanze fortemente alcaline e mezzi abrasivi. È sempre consigliabile asciugare il vetro dopo l'utilizzo. Si consiglia di ripetere il trattamento annualmente, utilizzando il set acquistabile sul nostro sito web nella sezione ricambi.

**vetro AION | AION glass**

Con il tempo, il vetro esposto ad acqua, calore e umidità può corrodere, compromettendo la sua trasparenza naturale e il suo aspetto estetico. AION è un vetro float chiaro dotato di uno speciale rivestimento progettato per prevenire i processi di corrosione superficiale. Previene l'apparire del velo biancastro provocato dall'usura del vetro. Questo rivestimento è estremamente resistente, non si deteriora e conserva le sue proprietà nel tempo per almeno 10 anni.

L'installazione di AION assicura un ambiente doccia moderno, confortevole e di facile manutenzione. Può essere pulito semplicemente con un panno morbido, acqua e un detersivo neutro. È compatibile con la maggior parte dei prodotti per la pulizia domestica, a eccezione di quelli contenenti polveri abrasive o utensili ruvidi, che potrebbero danneggiare il rivestimento e comprometterne la trasparenza e l'estetica.

**NOTE | NOTE:**

- I trattamenti non eliminano, la pulizia del cristallo, ma la rendono più facile.
- La longevità del trattamento varia in base all'utilizzo della cabina doccia e alla cura con cui viene mantenuta, che deve avvenire con detersivi e mezzi idonei. Anche la composizione chimica dell'acqua, in particolare il suo livello di durezza, può incidere sulle prestazioni e sulla durata dei trattamenti nel tempo.

Innovation is part of TDA's DNA, even when it comes to simplifying the daily maintenance of shower walls. We have adopted two cutting-edge technological solutions: a nanotechnology-based **protective treatment** that hinders the formation of limescale on glass surfaces and a new **glass with a special antioxidant surface**, designed to preserve brilliance and transparency over time.

NEVERDROP® is an exclusive glass treatment by TDA. It is an easy-to-apply nanotechnology coating that uses nanostructured silica to form a protective film on the surface of the glass, reducing average roughness and increasing natural water repellency. The film formed on the glass facilitates the sliding of water, making cleaning easier and preventing dirt, limescale and impurities from adhering in the microporosities.

The glasses with our NEVERDROP® treatment can be cleaned with soft sponges, microfibre cloths or a silicone squeegee. Common cleaning products can be used avoiding powder detergents, strong alkaline substances and abrasive tools. It is always recommended to dry the glass after use. It is also recommended to repeat the treatment every year, using the set available for purchase on our website, in the spare parts section.

Over time, the glass exposed to water, heat and humidity can corrode, compromising its natural transparency and looks. AION is a clear float glass with a special coating, designed to prevent surface corrosion processes. It prevents the appearance of that white-ish veil caused by wear. This coating is extremely resistant, it does not deteriorate and it retains its properties and features for at least 10 years.

Installing AION will make your bathroom a modern, comfortable and easy to maintain. It can be cleaned with ease with a soft cloth, water and neutral detergent. It is compatible with most household cleaning products, with the exception of those containing abrasive powders or rough tools, which could damage the coating and compromise its transparency and aesthetics.

- Having a treated glass doesn't mean one doesn't have to clean it, it's just easier to do it.
- Treatment durability varies according to the use of the shower wall and the care with which it is maintained, which must be done with suitable detergents and means. The chemical composition of the water, in particular its hardness level, can also affect the performance and longevity of treatments.

## MANIGLIE

### HANDLES

Ogni modello di parete doccia è caratterizzato da una maniglia o da un pomolo per l'apertura che ne definiscono, oltre all'estetica, anche la funzionalità.

The handle and the knob define the esthetic and functionality of the shower enclosure's opening.

- A** Maniglia in lega metallica doppia - lunghezza 32 cm  
Double metal alloy handle - length 32 cm
- B** Maniglia in lega metallica con pomolo interno - lunghezza 32 cm  
Metal alloy handle with internal knob - length 32 cm
- C** Maniglia in alluminio doppia - lunghezza 19,5 cm  
Double aluminium handle - length 19.5 cm
- D** Maniglia in lega metallica con pomolo interno - lunghezza 16 cm  
Metal alloy handle with internal knob - length 16 cm
- E** Maniglia in acciaio inox doppia - lunghezza 40 cm  
Inox steel handle with internal grip - length 40 cm
- F** Maniglia in acciaio inox con presa interna - lunghezza 90 cm  
Inox steel handle with internal grip - length 90 cm
- G** Maniglia in alluminio sganciabile - lunghezza 18 cm  
Detachable aluminium handle - length 18 cm
- H** Maniglia in lega metallica doppia - lunghezza 25 cm  
Double metal alloy handle - length 25 cm
- I** Maniglia in lega metallica con presa interna  
Metal alloy handle with internal grip
- L** Profilo maniglia in alluminio  
Aluminium handle profile
- M** Maniglia in alluminio doppia - lunghezza 50 cm  
Double aluminium handle - length 50 cm

## CERNIERE

### HINGES

La cerniera definisce l'estetica e la tipologia di apertura di una parete doccia. TDA propone variazioni: con rotazione su camma, con fissaggio a filo vetro, con rotazione di 90°/110°/150°/170°/180°.

The hinge defines the aesthetics and type of opening of a shower enclosure. TDA offers variations: with rotation on cam, with flush mouth glass, with either 90°/110°/150°/170°/180° rotation.

- A** Cerniera in lega metallica con apertura 170°  
Metal alloy hinge with 170° opening
- B** Cerniera in lega metallica regolabile con apertura 110°  
Adjustable metal alloy hinge with 110° opening
- C** Cerniera in lega metallica a camme con apertura 180°  
Metal alloy cam hinge with 180° opening
- D** Cerniera in lega metallica a camme con apertura +/-90°  
Cam metal alloy handle with +/- 90° opening
- E** Cerniera in lega metallica ammortizzata con apertura 110°  
Amortized metal alloy hinge with 110° opening
- F** Cerniera in lega metallica con apertura 170°  
Metal alloy hinge with 170° opening
- G** Cerniera in lega metallica con apertura 150°  
Metal alloy hinge with 150° opening

Indicazioni per una corretta installazione | Guidelines for correct installation

Le estensibilità delle pareti doccia TDA sono definite per l'installazione STANDARD su piatto doccia. In caso di installazioni diverse, è necessario specificarlo in fase d'ordine oltre che a procedere con un corretto rilievo delle misure.

The extensibility of TDA shower enclosure is defined for STANDARD installation on a shower tray. In the case of different installations, this must be specified in the order as well as a correct measurement.

Schema per presa misure / STANDARD installation

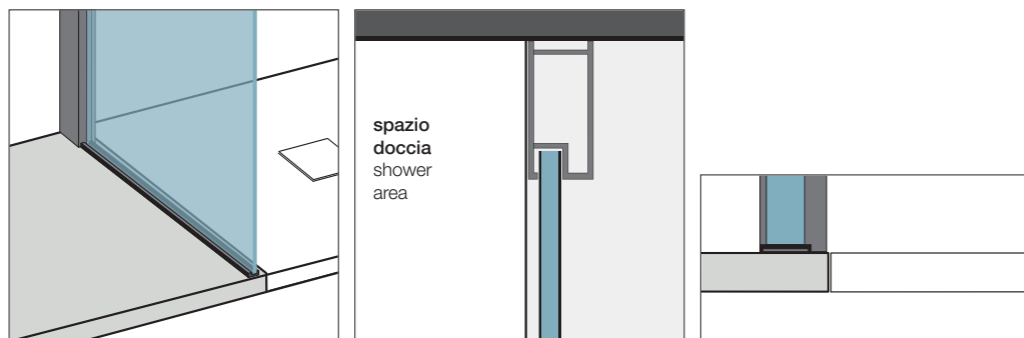

installazione STANDARD / STANDARD installation

la parete doccia è installata all'interno dello spazio doccia, sia su piatto doccia che a pavimento  
the shower enclosure is installed within the shower space, either on a shower tray or on the floor

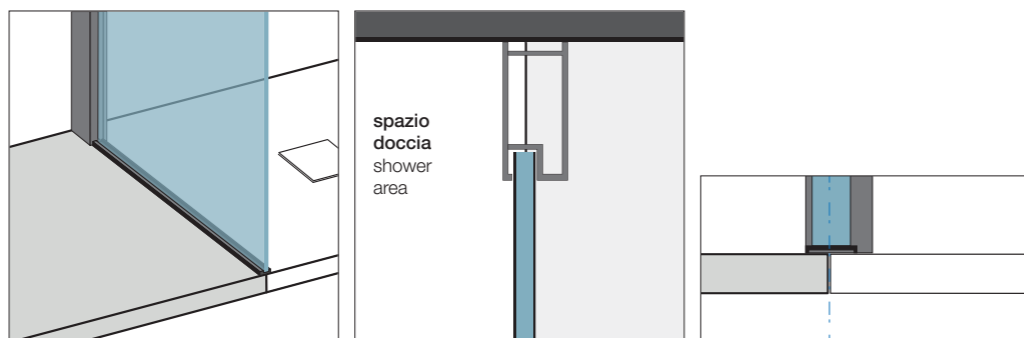

installazione ESTERNA / EXTERNAL installation

la parete doccia è installata completamente all'esterno dello spazio doccia  
the shower enclosure is installed completely outside the shower space

installazione FILO PAVIMENTO / FLOOR installation

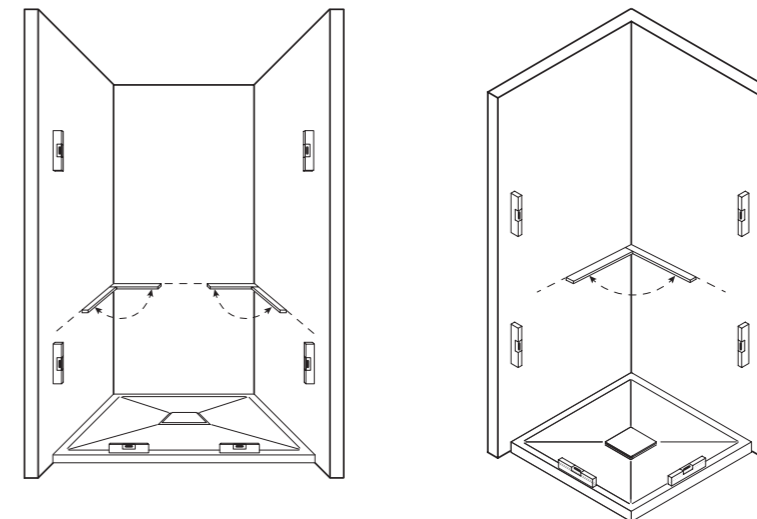

la parete doccia è installata con il vetro sulla mezzera della fuga tra spazio doccia e pavimento  
the shower enclosure is installed with the glass on the centreline of the joint between the shower space and the floor

Indicazioni per un corretto rilievo misure | Guidelines for correct measurement

Prima di procedere all'ordine del prodotto è indispensabile effettuare il corretto rilievo delle misure, sia della zona doccia che delle pareti ad essa contigue. Sono disponibili, sul sito [www.tda.it](http://www.tda.it), le [schede rilievo misure] in formato elettronico pre-compilate di ogni modello. Le stesse possono essere scaricate, completate e inviate a mezzo e-mail.

Before proceeding with the product's order, it is fundamental to conduct the metric survey of both the zone allocated for the shower and its contiguous sides. On TDA's website, [www.tda.it](http://www.tda.it), it is possible to find the complete metric survey forms for each model. In addition, they can also be downloaded, filled out, and sent out via e-mail.

Rilievo livelli orizzontali / Metric horizontal survey

- . le misure vanno rilevate solo con il piatto doccia o pavimento posati
- . le misure sono valide solo con piatto doccia o pavimento perfettamente orizzontale (in bolla)
- . il piatto doccia deve avere un bordo largo almeno 5 cm, diversamente va evidenziato sulla scheda rilievo

- . the measures need to be taken only including either the shower tray or the floor
- . the measures are valid only with the shower tray or the floor perfectly horizontal (bubble level)
- . the shower tray needs to have a side of at least 5cm, otherwise, it needs to be indicated on the form

Rilievo livelli verticali / Metric vertical survey

- . le misure vanno rilevate solo a posa avvenuta del rivestimento delle pareti
- . le misure sono valide solo con muri perfettamente a piombo con il pavimento e ad angolo retto tra loro
- . eventuali fuori piombo vanno correttamente segnalati comunicando valori e direzioni delle inclinazioni delle pareti
- . comunicare con un disegno tecnico l'eventuale presenza di ostacoli sulle pareti come torelli o rilievi

- . the measures can be taken only when the shower enclosures' covering is included
- . the measures are valid only when the walls are perfectly aligned to the floor creating a 90-degree angle between them
- . potential unalignments need to be reported including values and directions of the walls' inclinations
- . it is requested to communicate and report with the technical drawing the possible existence of barriers on the walls

TDA prende in considerazione solo ordini scritti con le misure richieste indicate con chiarezza. L'installazione dei prodotti deve essere eseguita da personale specializzato e con materiali idonei. TDA non è responsabile di malfunzionamenti o perdite d'acqua derivanti da:

- . installazioni su supporti non perfettamente a bolla e/o a piombo se non segnalati in fase d'ordine
- . installazioni non effettuate secondo le istruzioni di montaggio contenute nell'imballo
- . manomissioni di parti del prodotto

TDA considers only orders that include clear and correct measurements. The products' installation needs to be completed by specialized personnel and with adequate materials.

TDA is not responsible for malfunctions or water leaks caused by:

- . installations on unaligned support, if not indicated during the completion of the order's process
- . installations that are not completed based on the correct instructions for the product's assembly, which are included in the product's packaging
- . tampering of the product

Dimensioni speciali | Special sizes

Le pareti doccia di TDA possono essere personalizzate con misure diverse da quelle standard. È sempre necessario rilevare tutte le quote e inviare richiesta di fattibilità all'ufficio tecnico TDA. È consigliabile utilizzare le schede di rilievo misure presenti sul sito internet [www.tda.it](http://www.tda.it).

TDA shower enclosures can be customised with measurements other than the standard ones. It is always necessary to survey all dimensions and send a feasibility request to the TDA technical department. It is advisable to use the measurement sheets on the website [www.tda.it](http://www.tda.it).

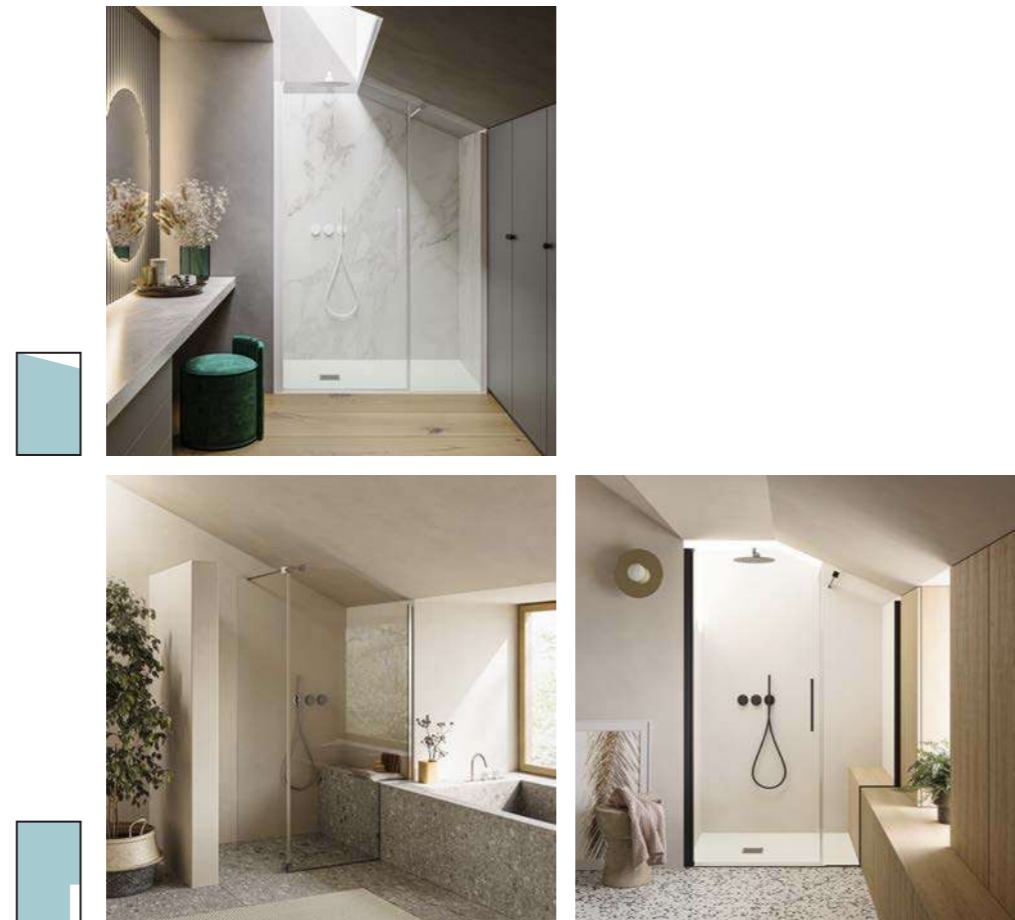

[Misure speciali] sono tutte le variazioni in altezza **H** (superiore e inferiore), in larghezza **L** (maggiore e minore) e per forme particolari come sagomature, tagli e smussi.

[Special sizes] indicate all changes in **H** (top and bottom), in **L** (over and under std) and customized shapes such as diagonal cuts, straight cuts and chamfers.

Inclinazioni, muretti e sopravasca | Inclines, walls and bathtubs

Anche nel caso di installazioni particolari come inclinazioni, muretti e vasche è sempre necessario rilevare tutte le quote e inviare richiesta di fattibilità all'ufficio tecnico TDA.

Even in the case of special installations, such as inclines, walls, and baths, it is necessary to measure all the quotes and send a request of feasibility to TDA's technical office.

Documentazione tecnica dal sito web [www.tda.it](http://www.tda.it) | Technical documentation from the website [www.tda.it](http://www.tda.it)

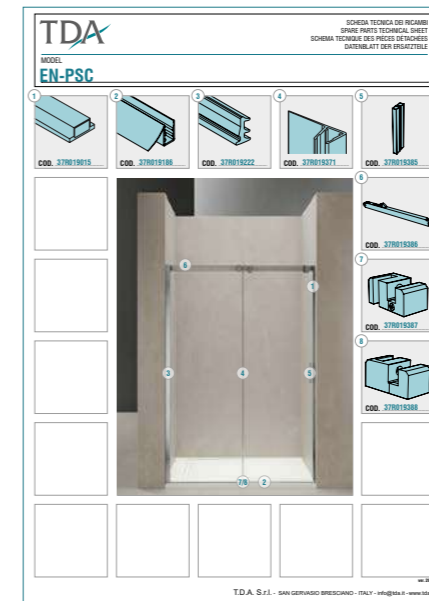

Per ogni modello di parete doccia, è possibile scaricare tutto il materiale tecnico necessario per una corretta installazione, per il rilievo misure, per l'esploso dei componenti oltre alla DOP (Dichiarazione di prestazioni).

For each shower enclosure model, it is possible to download all the technical material required for correct installation, the measurement survey, the exploded view of the components as well as the DOP (Declaration of Performance).

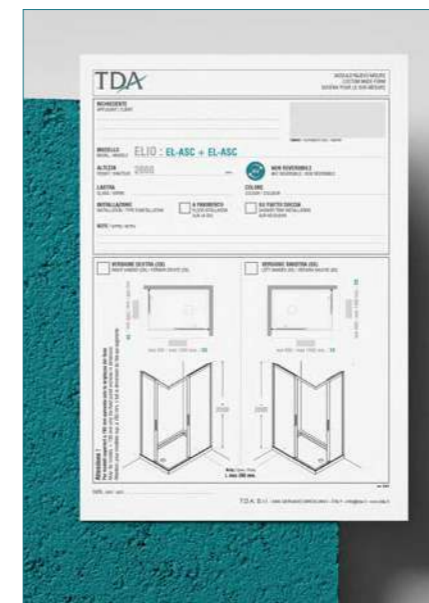

Istruzioni per il montaggio (presenti anche nell'imballo)

Assembly instructions (also in the packaging)

Pulizia e cura | Cleaning and care

Per mantenere in buono stato i diversi componenti di una parete doccia è importante il risciacquo dopo ogni utilizzo, che elimina i residui di detergenti da vetri e profili, oltre all'asciugatura accurata con un panno morbido. Se si desidera procedere con una pulizia più accurata devono essere comunque evitati solventi, sgrassatori o abrasivi che possano danneggiare irreparabilmente la parete doccia.

Utilizzare preferibilmente spugne o panni morbidi e prodotti neutri e delicati.

I vetri trattati con Neverdrop®, puliti e asciugati al termine di ogni utilizzo con panno morbido, mantengono stabile il loro aspetto; eventuali depositi di calcare possono essere rimossi con il kit di rimozione del calcare TCB taking Care of Bathroom di TDA. Si consiglia di ripetere, almeno una volta all'anno, il trattamento Neverdrop®.

In order to keep the various components of a shower enclosure in good condition, it is important to rinse after each use, which removes detergent residues from glass and profiles, as well as to dry thoroughly with a soft cloth. If more thorough cleaning is desired, however, solvents, degreasers or abrasives that can irreparably damage the shower enclosure should be avoided. Preferably use soft sponges or cloths and mild, neutral products. Glass treated with Neverdrop®, cleaned and dried at the end of each use with a soft cloth, maintains its stable appearance. any limescale deposits can be removed with the TCB taking Care of Bathroom limescale removal kit. It is advisable to repeat the Neverdrop® treatment at least once a year.

Tenuta all'acqua | Water resistance

La ritenzione dell'acqua di una parete doccia è la sua capacità di trattenere l'acqua all'interno dell'area designata. Per garantire una buona tenuta, è fondamentale seguire correttamente le istruzioni di montaggio e assicurare una perfetta sigillatura tra muro, piatto doccia e parete doccia.

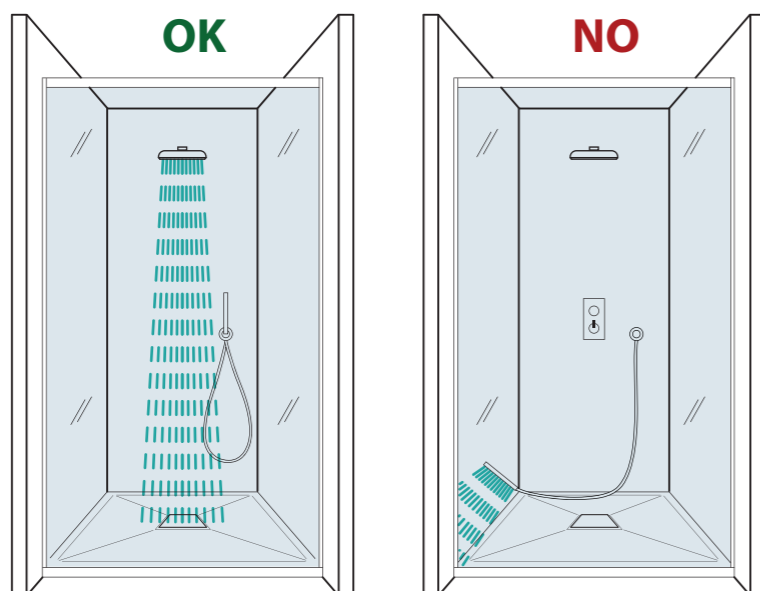

La tenuta all'acqua tra vetri e profili viene garantita in fase di produzione grazie a sigillanti e guarnizioni specifiche. Tuttavia, la capacità di ritenzione dell'acqua sulla porta può variare in base alle diverse configurazioni costruttive.

Secondo la normativa EN 14428:2018, un test di ritenzione deve essere eseguito seguendo le indicazioni dell'articolo 5.7. La stessa normativa stabilisce che "poche gocce d'acqua all'esterno dell'area di ritenzione sono accettabili".

The water retention of a shower enclosure is its ability to retain water within the designated area. To ensure a good seal, it is essential to follow the installation instructions correctly and to ensure a perfect seal between the wall, shower tray and shower enclosure.

The water tightness between the glass and profiles is guaranteed during production by means of specific sealants and gaskets. However, the water retention capacity of the door may vary according to different construction configurations.

According to EN 14428:2018, a retention test must be carried out according to Article 5.7. The same standard states that "a few drops of water outside the retention area are acceptable".

Prodotti consigliati | Recommended products

**Sigillante SPARTAN®**  
Sealant SPARTAN®

Codice  
Code  
**36B010010**

Sigillante cristallino a base di puro polimero MS; completamente trasparente dopo l'asciugatura, Spartan® crea incollaggi invisibili, non ingiallisce ed offre un'altissima tenuta meccanica: 25 Kg/cm<sup>2</sup>. Grazie alla formulazione neutra, Spartan® è senza solventi, senza odore, non ritira durante l'asciugatura e dopo l'apertura si conserva per diversi mesi. Attenersi scrupolosamente alle indicazioni d'uso presenti sull'etichetta della cartuccia.

The crystalline sealant, made of pure polymer MS and completely transparent once it dries, Spartan® creates invisible bonding and does not get yellow with the time.

In addition, it offers a high mechanic resistance: 25 Kg/cm<sup>2</sup>. Moreover, thanks to the neutral formulation, Spartan® does not have solvents, it does not create odors, it does not shrink during the drying process and preserves its quality, once it is opened and exposed.

Complying with the indications on how to use the product written on the label is fundamental.

**Trattamento per il vetro NEVERDROP®**

Treatment NEVERDROP®

Codice  
Code  
**36A010004**

NEVERDROP® è un innovativo rivestimento per il vetro a base di composti organici e inorganici di nanoparticelle, che formano un sottile e trasparente film protettivo sulla superficie del vetro rendendola così facilmente pulibile e altamente idrofobica. Il deposito superficiale può essere facilmente rimosso con un semplice panno umido e senza bisogno di detergenti specifici.

Il trattamento NEVERDROP® non è un trattamento definitivo, la durata del suo effetto dipende dalla frequenza d'uso della parete doccia, dalla sua manutenzione e dalla durezza dell'acqua.

Si consiglia di ripetere il trattamento annualmente utilizzando il set presente nel nostro listino.

NEVERDROP® is an innovative glass's covering made of organic components. In addition, this material contains nonorganic nanoparticles that create a thin and transparent protective layer on the surface of the glass making it very simple to be cleaned and highly hydrophobic. The leftovers on the surface can be easily removed with a wet wipe without the need of specific cleaners. The NEVERDROP®'s treatment is not definitive. Its effect's duration depends on both how often the product is used, how the product is maintained, and the water's quality. Once again, it is advisable to repeat the treatment once a year using the cleaning kit provided on our catalog.

**TCB Taking Care of Bath**

Codice  
Code  
**36A010010**

Kit di rimozione del calcare per superfici in vetro e AROCK®.

Contiene due prodotti: **Tclean** detergente sgrassatore e **Tcalc** anticalcare.

**Tclean** è un detergente idoneo per la pulizia di superfici in vetro e in Arock®. Scioglie, in modo rapido ed efficace, grassi, residui saponosi, liquidi organici, sporco atmosferico e sostanze alimentari. Sgrassa a fondo senza intaccare le superfici. E' un prodotto a schiuma controllata, pronto all'uso, in diluizione corretta per l'ambiente bagno.

**Tcalc** è un prodotto specifico per la rimozione di residui di calcare da superfici in vetro e in Arock®. Scioglie, completamente e in modo rapido, le incrostazioni calcaree causate da acqua o sostanze simili senza intaccare le superfici. E' un prodotto denso, pronto all'uso, che forma un aggrappaggio perfetto anche su superfici verticali.

Limescale removal kit for glass and AROCK® surfaces.

It contains two products: **Tclean** degreasing cleaner and **Tcalc** limescale remover.

**Tclean** is a detergent suitable for cleaning glass and Arock® surfaces. It dissolves quickly and efficiently soap residue, organic liquids, atmospheric dirt and food substances. It thoroughly degreases without affecting surfaces. It is a low foaming ready-to-use product specially diluted for the bathroom environment.

**Tcalc** is a specific product for removal of limescale residues from glass and Arock® surfaces. It dissolves quickly and completely limescale caused by water or similar substances without affecting the surfaces. It is a dense, ready-to-use product which forms a perfect grip also on vertical surfaces.

La sezione ricambi del sito [www.tda.it](http://www.tda.it) consente di individuare il modello della vostra parete e acquistare direttamente i pezzi di ricambio.

Il nostro catalogo online comprende la maggior parte dei componenti utilizzati per l'assemblaggio delle pareti doccia TDA, fissaggi, guide, perni, guarnizioni, maniglie, particolari, profili e scorrimenti.

Garantire la massima qualità nei prodotti è la nostra priorità, ecco perché vogliamo dare ai clienti la massima serenità anche nel post-vendita, garantendo ricambi originali e selezionati.

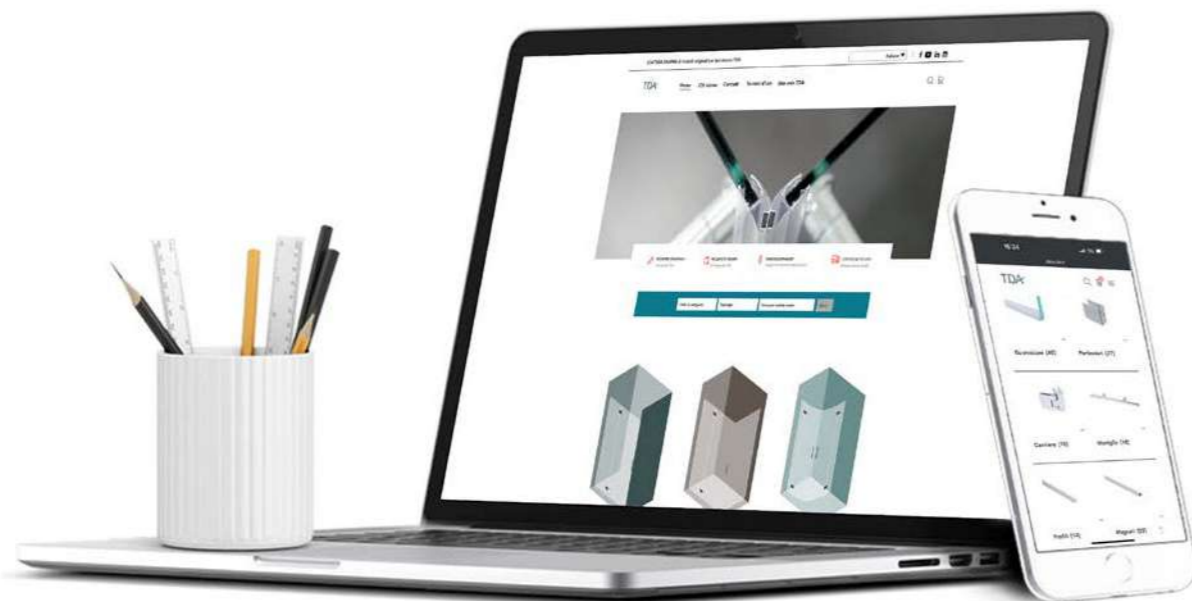

Il nostro e-shop ha un'interfaccia semplice, che ti permetterà di risparmiare moltissimo tempo nella ricerca del pezzo che desideri.

The replacement's section on our website, [www.tda.it](http://www.tda.it), helps the clients identify the model of their shower enclosures and directly purchase the replacement parts.

Our product range includes most of the components used to assemble TDA's shower walls, like fastening elements, guides, pivots, seals, handles, sliders and other elements.

We guarantee top-quality products, as well as original and highly selected spare parts, with the aim to want to keep our clients satisfied with our after-sale service too.

For our e-shop we chose a simple interface, which will allow you to find the part you are looking for in a really short time. It's quick and convenient.

TDA dispone di una selezione di campionari pensati per supportare concretamente l'attività di vendita. Strumenti pratici che permettono di presentare al cliente finale materiali, finiture e soluzioni disponibili, facilitando la scelta attraverso un'esperienza visiva e tattile.

TDA provides a selection of sample kits designed to effectively support the sales process. Practical tools that allow the presentation of available materials, finishes, and solutions to the end customer, facilitating the selection process through both visual and tactile experience.

#### CARTELLA CAMPIONARIO | SAMPLE FOLDER

La **Cartella Campionario** rappresenta lo *starter kit* ideale per il cliente che desidera uno strumento di supporto alla vendita semplice, pratico e immediato. All'interno della cartella sono raccolte le immagini di tutte le tipologie di vetro disponibili, affiancate dai campioni fisici delle finiture dei profili. Una soluzione compatta e funzionale, pensata per avere sempre a disposizione una panoramica chiara e veloce della gamma.

The **Sample Folder** represents the ideal *starter kit* for customers who require a simple, practical, and immediate sales support tool. Inside the folder, images of all available glass types are presented together with physical samples of the profile finishes. A compact and functional solution designed to provide a clear and quick overview of the entire range at any time.

#### BLACK-BOX | BLACK-BOX

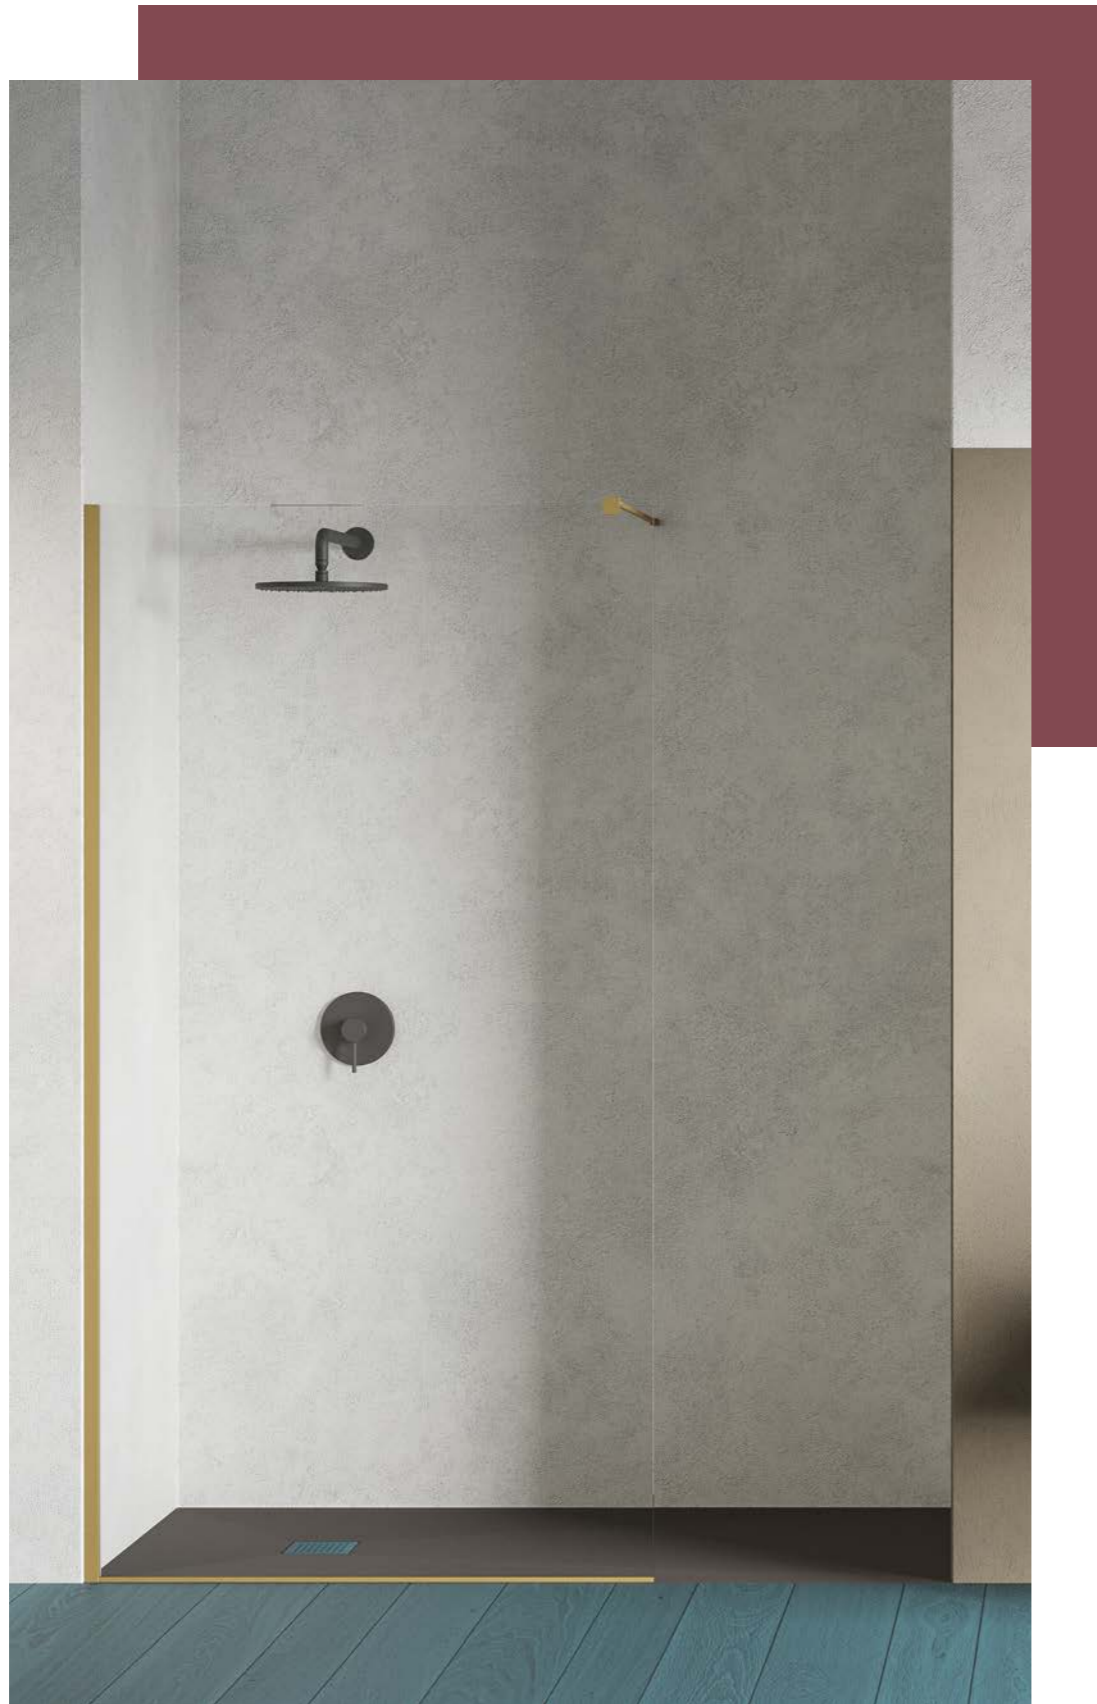

La **Black-Box Pareti Doccia** è il campionario più completo della nostra collezione, progettato per offrire una visione approfondita dei materiali e delle finiture TDA. Al suo interno sono presenti i campioni fisici di tutte le tipologie di vetro e di tutte le finiture dei profili utilizzati per la produzione delle nostre pareti. La dotazione comprende inoltre una mazzetta dedicata alle grafiche dei vetri serigrafati e decografati, oltre ai campioni fisici delle texture dei piatti doccia realizzati in Arock®. Per la definizione precisa di tutti i colori disponibili, sia per i profili sia per i piatti doccia, il riferimento ufficiale resta sempre la nostra mazzetta colori in vigore.

The **Black-Box Shower Enclosures** is the most comprehensive sample kit in our collection, designed to offer an in-depth overview of TDA materials and finishes. It includes physical samples of all available glass types and all profile finishes used in the production of our shower enclosures. The kit also contains a sample fan dedicated to the graphics of our screen-printed and decorative glass, together with physical samples of the textures of our shower trays made in Arock®. For the precise definition of all available colours - both for profiles and shower trays - reference should always be made to our current official colour sample fan.

## ITALO

Parete doccia walk-in versatile ed elegante con vetri di spessore 6/8/10 mm, supporti lineari e una variegata molteplicità di combinazioni. Creazioni dinamiche e libere che contano su montaggi facilitati grazie all'innovativo sistema di bloccaggio del vetro nel profilo a muro che agisce direttamente sul vetro compensando i fuori squadra e rendendo l'ingombro visivo minimo. L'appoggio a terra della lastra è dato da un profilo in alluminio quasi invisibile, un programma completo in cui fruizione e accesso risultano istantanei, la classe del made in Italy racchiuso nel più puro design minimal chic

A Versatile and elegant walk-in shower wall with a 6/8/10 mm glass, linear supports and many combinations available. The easy installation leave room to dynamic creations, thanks to the innovative glass locking system in the wall profile, which acts directly on the glass, compensating for out-of-squares and minimizing visual obstruction. The floor support of the glass panel is provided by an almost invisible aluminum profile, a comprehensive program where access is immediate, embodying the so-called Made in Italy style, embodied by the purest minimal chic design

## VITO

I profili sottili che incorniciano i vetri in spessore 6/8 mm, si manifestano come un dettaglio inedito rendendo la parete doccia un'esperienza visiva originale. Le molteplici possibilità d'installazione e le svariate possibilità di finiture sia per i profili che per i vetri, fanno di questa parete walk-in un prodotto versatile e molto apprezzato. Le lastre in vetro definiscono gli spazi senza creare barriere visive. La possibilità di realizzare installazioni libere e dinamiche lo rendono versatile. Le barre di irrigidimento permettono diverse combinazioni mantenendo un aspetto sobrio e raffinato

The slim 6/8 mm profiles are like a frame for the glasses, which stand out as an original decorative detail, making this shower wall an unusual visual experience. The multiple installation possibilities and the various finishing options, for both profiles and glasses, make this walk-in a versatile and highly appreciated creation. The glass panels define spaces without creating visual barriers. A versatile product, thanks to the endless installation possibilities and dynamism. The support bars leave room to various combinations while maintaining a sober and refined appearance

## ROCCO

Una serie walk-in che può essere installata a centro stanza grazie al dinamismo dei profili laterali che si estendono fino a un'altezza di 330 cm per essere fissati a soffitto. Lastre in vetro vestono la stanza da bagno senza chiuderne gli spazi, il massimo della pulizia estetica per chi predilige un ambiente minimalista e ricercato

A walk in shower wall series that can be placed right in the middle of a room thanks to the dynamism of its lateral profiles that can extend up to a height of 330 cm to be fixed to the ceiling. Dress up your bathroom with glass walls without closing the space: aesthetic minimalism for a refined and clean space

**01** fissaggio a soffitto per profilo telescopico | **02** particolare di accoppiamento tra lastra e profilo a una via | **03** profilo a terra in finitura |

**01** ceiling mounting for telescopic profile | **02** detail of connection between glass and one way | **03** lower profile with matching finish |

## ENZO

Lo speciale sistema di scorrimento, l'innovativa guida inferiore e la solidità del vetro in spessore 8 mm la delineano come una serie forte e contemporanea. Nata dal tratto del designer Idelfonso Colombo, questa parete doccia esprime nel design dei dettagli il suo grande vigore comunicativo, solida, attuale e funzionale è l'elemento d'arredo ideale per chi predilige un tocco di design distintivo

A truly contemporary and visual shower wall, with a special sliding system, an innovative lower floor guide and a solid of the 8mm-thick glass. From the pen of the Italian designer Idelfonso Colombo, this shower wall strongly communicates through the design of its details; solid, contemporary and functional, the right piece for those who are looking for a design that stands out

## CON PROFILO VERTICALE WITH VERTICAL PROFILE

Porta battente installazione ad angolo  
profilo Hunter / vetro Trasparente  
Piatto doccia ADELMO

Hinged door corner installation  
Hunter profile / Transparent glass  
Shower tray ADELMO

### FRIGO

L'installazione ad angolo, le cerniere a filovetro con apertura fino a 110° e il vetro della porta ad angolo di 90° rendono questo modello alternativo e protagonista. Una parete doccia inconfondibile per una stanza da bagno che si fa notare per i vetri delle porte curvati che creano grandi spazi d'ingresso. Le cerniere e la maniglia disegnate da Idelfonso Colombo, un noto designer industriale italiano, completano la grazia di questa delicata serie

The corner installation, the flush hinges with up to 110° opening, and the 90° angled door glass make this model an alternative and protagonist. An unmistakable shower wall for a bathroom that stands out for its curved door glass that creates large entrance spaces. The hinges and handle designed by Idelfonso Colombo, a well-known Italian industrial designer, complete the grace of this delicate series

## CON PROFILO VERTICALE WITH VERTICAL PROFILE

### INOX SCROLL

Serie con profili e particolari in acciaio inox dal design prestigioso e raffinato. Le porte sono scorrevoli e silenziose grazie ai paracolpi di fine corsa in apertura. La linea è essenziale e pulita. Il binario, dall'ingombro minimo, posto sulla parte superiore copre solo parzialmente la lunghezza della parete doccia, dando così maggior respiro allo stile della serie. I profili a muro estensibili e la barriera maggiorata offrono una grande adattabilità.

Series with profiles and details made of stainless steel, giving a prestigious and refined look. The sliding doors are silent thanks to the shock absorber buffers. The line is essential and clean. The sliding system is as thin as possible, and in the upper part it partially covers the length of the shower wall, which lightens the overall look. The extensible wall profiles and the raised barrier make this model even more adaptable.

Shower tray AURELIO

## CON PROFILO VERTICALE WITH VERTICAL PROFILE

### INOX RAIL

La quasi totale assenza di profili e la presenza di pochi, ma raffinati, dettagli in acciaio Inox con finitura spazzolata, rendono questa serie estremamente tecnica. Le porte sono scorrevoli con fine corsa ammortizzato, l'innovativo sistema scorrevole su binario a terra garantisce la massima fluidità e l'estrema leggerezza verticale, lasciando completamente libera la zona superiore della lastra

A truly technical design: the profile are almost invisible, the stainless steel details are very refined and have a brushed finishing. The sliding doors with cushioned end stops, the innovative sliding system on a floor rail guarantee fluidity and vertical lightness, leaving the upper part of the glass completely free

## CON PROFILO VERTICALE WITH VERTICAL PROFILE

### PLUMA EVO

L'innovativo sistema di apertura/chiusura soft-close installato sulle porte scorrevoli e lo sgancio inferiore dell'anta esaltano la struttura rassicurante di questo performante prodotto TDA. Una parete doccia sicura. Grazie al sistema soft-close in apertura/chiusura il movimento di blocco avviene dolcemente e in modo silenzioso. Il suo stile risponde perfettamente alle tendenze di mercato

The innovative soft-close opening/closing system installed on the sliding doors and the bottom panel release enhance the reassuring structure of this high-performance product by TDA. A shower wall that puts safety first. Thanks to the soft-close system, the opening and closing movements are gentle and quiet. Its style perfectly matches market requirements and trends

## GAIA

Il binario di scorrimento sottile, i profili lineari e lo sgancio inferiore dell'anta per una migliore pulizia sottolineano la moderna versatilità di questa serie. Linea pratica e funzionale dove qualità e design si fondono, per dar vita a un sistema accurato ed eclettico. I modelli sono proposti in diverse finiture. L'aspetto moderno e la facilità nel montaggio rendono questi modelli molto apprezzati

A shower wall that strikes for its modern versatility: a slim sliding system, slim linear profiles and a the quick release system. A practical and functional line where quality and design meet to create a precise and eclectic system. The models come in many different finishes. The modern appearance and ease of installation make these models highly appreciated

## CON PROFILO VERTICALE WITH VERTICAL PROFILE

# MORK

Porta battente installazione in nicchia  
profilo Sky / vetro Trasparente  
Piatto doccia AMBROGIO

Hinged door niche installation  
Sky profile / Transparent glass  
Shower tray AMBROGIO

## MORK

L'apertura delle porte a battente con innovativo sistema di rotazione su camma, i profili di rotazione piatti e la chiusura magnetica accentuano la flessibilità di questi modelli. Adattabile a tutte le necessità di installazione. I suoi tratti distintivi sono: il perno di rotazione, dal morphing estetico piatto; un ampio angolo di rotazione e l'apprezzata caratteristica del punto di orbita traslato, ideale per le grandi dimensioni e per risolvere i casi di ingombro esterno

The swinging door opens with an innovative cam rotation system, which, together with the flat rotation profiles and the magnetic closing system, enhances the flexibility of these models. Adaptable to a number of installation necessities, its main features are: the rotation pivot, with a flat aesthetic morphing; a wide rotation angle and the appreciated door with a shifted orbit point, ideal for large dimensions and for solving cases of external obstruction

Hinged door niche installation  
Eucalyptus profile / Transparent glass  
Shower tray AURELIO

## MINDY

L'originale apertura in-out, il movimento ad ala di gabbiano con cerniere piatte del soffietto e la maniglia di 32 cm rendono questi modelli spiccatamente estetici. Il perno di rotazione piatto e il suo ingombro ridotto rendono Mindy una scelta di stile minimal. Un ampio angolo di rotazione delle porte e il sollevamento dell'ante morbido e fluido, dato dal sistema a camma, garantiscono il massimo dell'efficienza

A distinctively aesthetic series: an original in-out opening system, a gull-wing opening movement with flush hinges and a 32 cm-long handle. The flat rotation pivot and its reduced size make Mindy a choice of minimalism. A wide rotation angle for the door and a smooth and fluid door lift, provided by the cam system, ensure maximum efficiency

## VOLO

Le porte a soffietto con apertura totale sono caratteristica essenziale del design di questa serie; annullano qualsiasi barriera anche per un uso con mobilità ridotta (PMR). La versatilità come primo obiettivo. Una serie che ben si adatta a ogni esigenza di spazio e stile. Minimo ingombro e design rigoroso per le cerniere a camma realizzate in lega metallica. Un passe-partout di carattere immediato e lineare dove la presenza dei profili è minima per la massima dimensione di ingresso

The folding doors providing a full opening are an essential feature of the design of this series; they eliminate any barrier even for use with reduced mobility (PMR). Versatility as the primary objective. A series that adapts well to every space and style requirement. Minimal space required and stern design for the cam hinges made of metal alloy. A versatile solution with an immediate and linear character where the presence of profiles is minimal to optimize the space to enter the shower

Shower tray ADELMO

## FONT

Ante a battente e un elevato potenziale di adattabilità grazie all'estensione fino a 6 cm dei profili laterali. Lo stile essenziale e pratico di questa linea è caratterizzato dalla porta a battente e dai profili sottili e personalizzabili nei colori della palette TDA. Il design accurato e l'attenzione produttiva offrono il miglior risultato in termini di regolazione

Swinging doors and a high adaptability - the lateral profiles can be extended up to 6 cm. This line has an essential and practical style, characterized by the swinging hinged door and the slim profiles, which can be customized in the colours of the palette by TDA. The accurate design and the detailed production process offer the best result in terms of regulation and adjustments

## CON TELAIO WITH FRAME

Porta saloon installazione in nicchia  
profilo Brownie / vetro Trasparente  
Piatto doccia ARTURO

Saloon door niche installation  
Brownie profile / Transparent glass  
Shower tray ARTURO

## ELIO

Sistema ad ante scorrevoli e pivot, dai profili sottilissimi e dal gusto sofisticato. Design leggero ma struttura resistente. L'installazione risulta semplice, il vetro da 6 mm conferisce a Elio la giusta facilità di trasporto e montaggio garantendo al contempo sicurezza e durata. Il sistema a singolo profilo a muro per le ante scorrevoli consente di compensare gli eventuali fuori squadra direttamente sulla lastra.

Sliding and hinged door system with extra-slim profiles and sophisticated taste. A lightweight design with a sturdy structure. Installation is simple, the 6mm glass provides the right ease of transportation and assembly while ensuring safety and durability. The single wall profile system for sliding doors makes it possible to compensate for any out-of-squareness directly on the pane.

## OTTAVIO

Il vetro spessore 8 mm e i profili dal design essenziale e pulito, rendono questa serie concreta e armoniosa. Una serie per chi ama sentirsi protetto. Vetri incorniciati da profili a sezione rettangolare dall'aspetto moderno e accattivante. Lo studio attento delle varie componenti lo rendono esteticamente euritmico, ma anche solido e concreto. La maniglia dalla forma semplice e allungata ne sottolinea la linearità

The 8mm thick glass and the linear and clean profiles make this series an example of harmony and balance. A series for those who wish to feel protected. The glasses are framed by profiles with a rectangular section, with a modern and captivating look. The attentive studies of all the components of this shower wall make it eurythmic, aesthetically balanced, but also sturdy and solid. The handle has a simple shape and its length enhances the linearity of this elongated shape

 Piatto doccia AMBROGIO

Sliding door corner installation  
 Soft Golden profile / Transparent glass  
 Shower tray AMBROGIO

## DADO MAXI

Porte scorrevoli rigorose evidenziate dallo spessore dei profili. Lo sgancio rapido magnetico con sistema antipánico e il profilo magnetico di chiusura in finitura esaltano la contemporaneità della serie. Geometria ed eleganza caratterizzano la sua anatomia, la maniglia segue le linee scientifiche della parete doccia in misure perfettamente proporzionali. La serie si declina in diverse tipologie ognuna con accorgimenti attenti e precisi per garantire la massima versatilità di installazione

Sliding doors with a rigorous look, enhanced by the thickness of the profiles. The quick magnetic panic release system with matching finish, underline the contemporaneity of this series. A geometric elegance is the main feature of its anatomy, with the handle following the scientific lines of this perfectly balanced and harmonious shower wall. The series comes in many different styles, each with its own careful and precise adjustments to ensure maximum installation versatility

## CON TELAIO WITH FRAME

### SPADO

Il disegno lineare dei profili, la giunzione angolare a 45°, gli scorrimenti su doppio cuscinetto basculante e lo sgancio inferiore della porta la rendono perfetta nel contract. Una parete doccia elegante ma dai molteplici accorgimenti tecnici come i profili di rotazione sulle ante girevoli, le regolazioni accurate delle doppie ruote sulle ante scorrevoli e il sistema di sgancio dell'anta per facilitarne la pulizia. La serie è adatta ad ambienti bagno in cui la funzionalità non esclude la raffinatezza

Linear profiles, a 45° corner connection, twin wheels on double pivot bearings and the quick release system make this a perfect product for contract. An elegant shower wall with multiple technical features such as rotation profiles on hinged doors, precise adjustments of the twin wheels on the sliding doors and the door release system to improve the cleaning process, making it easier. This series is perfect for those bathrooms where functionality is just as imperative as elegance

## SOPRAVASCA

Le pareti doccia di questa specifica serie rispondono alle esigenze legate alla vasca da bagno. Minimali e rilassanti quelle ispirate alle serie Italo, Mindy e Mork, estremamente adattabili quelle ispirate alla serie Comfort. Schermi, pieghevoli e chiusure integrali risolvono ogni particolarità di installazione

The shower walls in this specific series respond to the needs of the bathtub. Minimal and relaxing those inspired by the Italo, Mindy and Mork series, extremely adaptable those inspired by the Comfort series. Screens, folding and integral closures solve every installation peculiarity

**IT** TDA Srl garantisce i propri prodotti per 24 mesi a partire dalla data di acquisto secondo le normative Europee vigenti in materia. La garanzia TDA copre esclusivamente i difetti di fabbricazione o di assemblaggio. Eventuali difetti estetici o strutturali della cabina doccia vanno segnalati per iscritto, a mezzo email o fax, corredati dal documento d'acquisto e da immagini fotografiche che attestino chiaramente il difetto, prima di procedere con il montaggio della parete doccia, al proprio rivenditore o al servizio post-vendita di TDA. Qualsiasi difetto segnalato ad avvenuto montaggio non potrà essere in alcun modo risarcito. TDA si impegna ad intervenire tempestivamente nel garantire la riparazione o sostituzione degli elementi riconosciuti difettosi. Non sono assolutamente contemplate eventuali richieste di indennizzo da parte dell'acquirente derivate da disagi, costi aggiuntivi, ecc. Il personale tecnico di TDA interverrà per riscontrare e riconoscere l'eventuale difetto per poi procedere alla sua risoluzione.

Sono esclusi dalla garanzia TDA:

- danni arrecati ed imputabili al trasporto non comunicati al trasportatore;
- rotture dei vetri causate dalla movimentazione manuale o da impatti accidentali durante l'utilizzo;
- danni arrecati da installazioni non effettuate "a regola d'arte" secondo le istruzioni di montaggio di TDA;
- danni arrecati da interventi sulla parete doccia effettuati da personale non competente e non autorizzato;
- difetti dovuti alla normale usura del prodotto o all'incuranza da parte del fruitore;
- difetti o malfunzionamenti riconducibili all'uso di prodotti per la pulizia non idonei da parte del fruitore;
- malfunzionamenti riconducibili a cause di forza maggiore;
- manomissioni da parte dell'acquirente riscontrate dal servizio tecnico.

TDA Srl declina ogni responsabilità per danni a persone, animali e/o cose causati da scorrette installazioni o egolazioni, dallo scorretto utilizzo o da mancate manutenzioni periodiche e dalla mancata scrupolosa osservanza di tutta la documentazione allegata al prodotto.

Qualora vengano richiesti interventi di manutenzione, di qualsiasi tipologia essi siano, oltre i tempi coperti dalla garanzia o che non rispettino i punti sopra elencati, verranno applicate le tariffe da listino convenzionale.

TDA Srl garantisce la disponibilità dei pezzi di ricambio di un prodotto fino a 2 anni dall'uscita di produzione e successivamente fino ad esaurimento delle scorte.

## SERVIZI PRE- E POST- VENDITA ITALIA

TDA Srl dispone di una rete di CAT (Centri Assistenza Tecnica) affiliati in tutta Italia. I servizi erogati di installazione, assistenza tecnica e manutenzione sono a pagamento secondo il tariffario del CAT affiliato. Il personale impiegato dai CAT è specializzato e costantemente formato per garantire piena soddisfazione sia per l'assistenza che per l'installazione delle pareti doccia TDA; per conoscere il CAT più vicino consultare il sito [www.tda.it](http://www.tda.it) nell'apposita sezione.

Per richiedere l'intervento dell'assistenza tecnica direttamente a TDA, inviare una email ad [css@tda.it](mailto:css@tda.it) indicando le generalità dell'installatore, quelle dell'utente ed eventuali fotografie.

**EN** Warranty is valid 24 months after purchase according to the European regulations. TDA warranty includes manufacturing and assembling faults ONLY.

Aesthetic or functional faults have to be reported in writing, together with the invoice and pictures BEFORE installation. Any claim after installation will not be considered.

TDA will take prompt actions to check the damage and solve the problem. TDA technical team will check and confirm (or not) the above fault and will take actions accordingly.

The warranty does not include:

- damages occurred during transport which have not been reported to the carrier;
- glass crash due to lack of attention in handling or during installation;
- wrong installation in spite of written instructions;
- wrong actions made by unqualified people;
- wrong actions taken by consumers and detected and confirmed by TDA technical service normal wear and tear.

TDA is not responsible for damages occurred to people, animals and/or things which are caused by faulty installation or wrong maintenance.

Should technical assistance be needed after warranty expires, the costs (price list) will be charged to consumer.

Spare parts are available also in case a product is dismissed, up to 2 years after discontinuance.

## Listino Prezzi 26 IE / €

|     |   |     |   |
|-----|---|-----|---|
| 1.1 | 1. VALIDITA' E DIRITTO DI MODIFICA<br>Qualsiasi contratto sottoscritto da TDA Srl per la vendita dei propri prodotti indicati nel listino prezzi (di seguito i "Prodotti" e ciascuno di essi il "Prodotto") a qualunque cliente (di seguito l'"Acquirente") sarà soggetto alle presenti condizioni generali di vendita.<br>In caso di discordanza tra quanto previsto dalle presenti condizioni generali di vendita e quanto pattuito in specifici accordi tra TDA Srl e l'Acquirente, prevarrà quanto previsto in detti specifici accordi.                                       | 4.5 | TDA Srl si riserva il diritto di valutare la fattibilità di Prodotti su specifica richiesta dell'Acquirente, di stabilirne i prezzi, le modalità e i termini di consegna.   |
| 1.2 | TDA Srl si riserva il diritto di modificare e/o variare le presenti condizioni generali di vendita nonchè il listino prezzi.  | 4.6 | Non si accettano annullamenti d'ordine per Prodotti dedicati o realizzati su specifica richiesta dell'Acquirente.   |
| 2.1 | <b>2. CARATTERISTICHE DEI PRODOTTI</b><br>Nei singoli contratti di vendita stipulati da Tda Srl, le eventuali informazioni riguardanti i Prodotti ed il loro uso sono vincolanti per le parti, salvo che le parti non abbiano previsto diversamente nel singolo contratto di vendita.   | 5.1 | <b>5. GARANZIA DI CONFORMITA' PRODOTTI</b><br>TDA Srl garantisce i propri prodotti per 24 mesi a decorrere dalla data d'acquisto. La garanzia copre esclusivamente vizi e difetti di fabbricazione o assemblaggio.<br>Difetti estetici o strutturali devono essere comunicati per iscritto a TDA Srl solo ed esclusivamente prima dell'installazione, allegando i documenti di acquisto e di prodotto.  |
| 2.2 | Eventuali informazioni o dati sulle caratteristiche e/o specifiche tecniche dei Prodotti contenute nel listino prezzi sono indicative e non vincolanti. I Prodotti vengono realizzati con diversi materiali: TDA Srl si riserva il diritto di apportare ai Prodotti le modifiche che, senza alterarne le caratteristiche essenziali e di imballo, dovessero risultare necessarie.   | 5.2 | La garanzia impegna TDA Srl solo alla riparazione e/o alla sostituzione degli elementi difettosi: sono pertanto escluse ulteriori pretese da parte dell'Acquirente, ed esclude qualsiasi indennizzo derivato dal disagio, od onere o costo relativo accessorio.   |
| 3.1 | <b>3. PREZZO E TERMINI DI PAGAMENTO</b><br>Ove non vi sia stato uno specifico accordo tra TDA Srl e l'Acquirente in merito al prezzo dei Prodotti, si applicherà per ciascun Prodotto il relativo prezzo di listino in vigore al momento della conclusione del contratto. I prezzi per la vendita dei Prodotti indicati nel listino prezzi si intendono franco Magazzino Centrale o franco fabbrica, IVA e ogni altra tassa o imposta esclusa.  | 5.3 | La non conformità dovrà essere riconosciuta solo da parte di personale autorizzato da TDA Srl.<br>Sono comunque esclusi dalla garanzia i seguenti casi:<br>- Se il difetto è riconducibile al trasporto.<br>- Rotture di tutte le parti in vetro temperato, in particolare causate da impatto, urti durante il trasporto, movimentazione manuale degli elementi in fase di installazione e impatti accidentali durante l'utilizzo.<br>- Se l'installazione non è stata eseguita dettagliatamente secondo istruzioni TDA Srl<br>- Se il vizio di funzionamento è conseguente ad un intervento sul prodotto non autorizzato.<br>- Se il funzionamento difettoso è conseguente alla normale usura del prodotto, alla negligenza o incuranza da parte dell'Acquirente nel rispetto delle indicazioni allegato al prodotto.<br>- Se il difetto è riconducibile all'utilizzo di detergenti abrasivi, a base acida, o prodotti non adatti alla pulizia di superfici laccate, verniciate, anodizzate e vetrose. Si consiglia l'utilizzo di articoli per la cura del Prodotto a marchio TDA Srl.<br>- Se il funzionamento difettoso è conseguente a forze maggiori.<br>- Manomissione del prodotto da parte dell'Acquirente. |
| 3.2 | Qualora l'Acquirente non effettui il pagamento di quanto dovuto entro il termine pattuito, TDA Srl potrà, a propria discrezione e senza alcun preavviso, sospendere le consegne in corso relativamente ai Prodotti non ancora consegnati e/o annullare le ulteriori consegne.<br>A pagamento avvenuto, i tempi di spedizione degli ordini rimasti in sospeso saranno ricalcolati, a far data dal pagamento stesso, in base ai termini di produzione indicati nel listino prezzi.<br>I pagamenti dei Prodotti già consegnati non saranno subordinati al completamento dell'ordine. | 5.4 | TDA Srl declina qualsiasi responsabilità per eventuali danni e persone, animali o cose causati da errori di installazione, di regolazione, imperfetto utilizzo o la mancata osservanza di tutte le prescrizioni indicate nella documentazione allegata al prodotto.   |
| 3.3 | Senza alcun pregiudizio per gli ulteriori rimedi consentiti dalla legge e dalle presenti condizioni generali di vendita, fatto salvo il diritto al risarcimento dei danni, TDA Srl si riserva il diritto di applicare tassi di mora su pagamenti ritardati a decorrere dalla data in cui sia maturato il diritto di pagamento, in attuazione dal Decreto Legislativo n°231/2002 e secondo gli aggiornamenti comunicati periodicamente dal Ministero dell'Economia e delle Finanze, senza necessità di formale costituzione in mora.   | 5.5 | TDA Srl si riserva il diritto di apportare modifiche tecniche ed estetiche ai propri prodotti in qualsiasi momento senza preavviso, ivi comprese modifiche a volume e peso.   |
| 3.4 | TDA Srl ha diritto al risarcimento dei costi sostenuti per l'eventuale recupero delle somme non tempestivamente corrispostegli, come previsto dal Decreto Legislativo n°231 del 2002.   | 6.1 | <b>6. RESA E SPEDIZIONE PRODOTTI</b><br>Il destinatario è obbligato a controllare la merce in arrivo e a contestare subito gli eventuali danni direttamente al trasportatore che ne è responsabile. E' diritto del destinatario e dovere del trasportatore controllare la spedizione (senza aprire l'imballo) e apporre le eventuali riserve specifiche sul DDT dal trasportatore e quello TDA Srl.<br>La sola dicitura generica: "RISERVA DI CONTROLLO" non è valida.  |
| 3.5 | Il prezzo pattuito, salvo ove diversamente indicato, rimane invariato fino alla data di spedizione indicata nella conferma d'ordine. Se, per richiesta dell'Acquirente o per motivi non imputabili a TDA Srl, la data di spedizione viene posticipata, TDA Srl si riserva di rivedere il prezzo applicando all'Acquirente eventuali aumenti e/o spese di sosta e magazzinaggio nel frattempo intervenuti.   | 6.2 | Danno occulto: nel caso di colli rovinati, solo esternamente, questi possono essere ritirati indicando sui DDT (documento di trasporto) del trasportatore e di TDA Srl la clausola "RISERVA DI CONTROLLO", specificando la motivazione per cui si è posta la riserva, come previsto dalla normativa vigente in materia di trasporto. Nel caso di rotture accertate, il destinatario deve darne comunicazione scritta a mezzo raccomandata a TDA Srl e per conoscenza al trasportatore spedendola entro e non oltre 8 giorni dal ricevimento merce.  |
| 3.6 | I pagamenti devono essere effettuati esclusivamente a favore di TDA Srl Via Circonvallazione, 1 San Gervasio B.no. Qualora l'Acquirente utilizzi per le rimesse di denaro: assegni, cambiali, ricevute od altri strumenti bancari, tali pagamenti, ovunque fatti, si intendono effettuati presso la Venditrice e saranno imputati secondo le regole dell'art.1194 del Codice Civile. Ogni altro pagamento dovrà essere fatto esclusivamente ad incarichi della Venditrice muniti di mandato ad incassare e rilasciare quietanza.  | 6.3 | Danno accertabile: nel caso di danno evidente ed accertabile anche dal trasportatore, deve essere posta una riserva sul DDT del trasportatore e di TDA Srl indicando chiaramente quantità e codici danneggiati ed il tipo di danno esterno ed interno riscontrato. Copia dei DDT devono essere inviati all'ufficio clienti TDA Srl che successivamente darà le opportune disposizioni per l'eventuale sostituzione e reso del materiale. Da quanto previsto ai paragrafi 6.2 e 6.3. TDA Srl non riconoscerà alcun rimborso per danni o rotture riscontrate.   |
| 4.1 | <b>4. ACCETTAZIONE DEGLI ORDINI</b><br>Gli ordini verranno considerati validi solo se effettuati per iscritto e ricevuti da TDA Srl via e-mail agli indirizzi dalla stessa comunicati.  | 6.4 | Nessun articolo può essere reso senza l'autorizzazione scritta da TDA Srl: i resi autorizzati dovranno pervenire in porto franco al ns. stabilimento utilizzando il trasportatore ed il numero di riferimento comunicati da TDA Srl. Il numero di riferimento deve essere riportato sul documento di trasporto.   |
| 4.2 | Nessun contratto sarà concluso tra TDA Srl e l'Acquirente fino a che non vi sia stata accettazione scritta dell'ordine dell'Acquirente da parte di TDA Srl, tramite piano di evasione giunto a conoscenza dell'Acquirente.  | 6.5 | Nessun articolo può essere reso senza l'autorizzazione scritta da TDA Srl: i resi autorizzati dovranno pervenire in porto franco al ns. stabilimento utilizzando il trasportatore ed il numero di riferimento comunicati da TDA Srl. Il numero di riferimento deve essere riportato sul documento di trasporto.<br>Se nell'accurato controllo TDA Srl si riscontrassero incurie dell'Acquirente, il materiale reso sarà gravato di un importo per la copertura delle spese generali oltre ad eventuali spese di ripristino a nuovo.   |
| 4.3 | Ordine e/o modifiche di ordini dovranno essere comunicati/confermati per iscritto dall'Acquirente tramite e-mail.   |     |   |
| 4.4 | Ordini di importo netto inferiore ad Euro 250,00 (IVA esclusa) saranno gravati di un addebito di Euro 10,00 netti per spese forfetarie di gestione ordine.  |     |   |

|      |   |      |   |
|------|---|------|---|
| 7.1  | <b>7. TERMINI DI SPEDIZIONE DEI PRODOTTI</b><br>La data di spedizione dei Prodotti indicata sul piano di evasione è sempre indicativa e non vincolante, salvo diversamente pattuito per iscritto.   | 12.4 | Ogni diverso utilizzo della proprietà intellettuale di TDA Srl da parte dell'Acquirente, se non espressamente concesso per iscritto da TDA Srl, si intenderà violazione da parte dell'Acquirente dei predetti diritti esclusivi di TDA Srl, anche sotto il profilo della responsabilità contrattuale e, come tale, sarà propriamente perseguito.  |
| 7.2  | Qualora TDA Srl preveda di non essere in grado di spedire i Prodotti nella data di spedizione indicata sul piano di evasione, ne darà avviso all'Acquirente indicando, ove possibile, la nuova data di spedizione prevista. Ove il ritardo imputabile a TDA Srl superi le 6 settimane, l'Acquirente potrà risolvere il contratto reletivamente ai Prodotti di cui la spedizione è ritardata, con un preavviso di 10 giorni, da comunicarsi per iscritto via PEC a TDA Srl, con esclusione di qualsiasi altro rimedio o danno. | 12.5 | I cataloghi, i campioni e i listini dei Prodotti (ad eccezione di quelli meramente illustrativi/pubblicitari) messi a disposizione dell'Acquirente da TDA Srl, non devono essere consegnati, né mostrati a terzi, né riprodotti, senza previa autorizzazione scritta di TDA Srl.<br>I Materiali devono essere restituiti a semplice richiesta di TDA Srl.<br>La conformità del Prodotto al campione fornito all'Acquirente, sia nella prima che nelle successive forniture, può presentare delle difformità rispetto al Prodotto venduto dovute sia alla variazione tecnica del Prodotto, sia alla consistenza fisica del Campione (es: colori, materiali, misure, ecc.), causate anche da fattori ambientali (es: umidità, esposizione alla luce, ecc.).   |
| 7.3  | Non si considera imputabile a TDA Srl l'eventuale ritardo dovuto a cause di forza maggiore o caso fortuito, atti, omissioni dell'Acquirente (ad esempio mancata comunicazione di indicazioni necessarie per la fornitura dei Prodotti).   | 13.1 | <b>13. INFORMATIVA</b><br>Il Regolamento (UE) 679/2016 stabilisce che il soggetto interessato debba essere preventivamente informato in merito all'utilizzo dei dati che lo riguardano e che il trattamento di dati personali è ammesso solo con il consenso espresso del soggetto interessato, salvo i casi previsti dalla legge.<br>Titolare del trattamento.<br>Il Titolare del trattamento dei dati è TDA S.r.l. - via Circonvallazione, 1 - 25020 - San Gervasio Bresciano (BS) - Italia.<br>Tel. 030 9926311 - mail info@tda.it   |
| 7.4  | Nel caso in cui, per cause non imputabili a TDA Srl, TDA Srl stessa risultasse temporaneamente o permanentemente impossibilitata ad effettuare la spedizione, TDA Srl ne darà informazione all'Acquirente e sarà sollevata dagli obblighi di spedizione per tutta la durata dell'impedimento e per tutto il tempo in cui si protraggono gli effetti ad esso conseguenti, nonchè da ogni obbligo di risarcimento danni per ritardo o inadempimento nei confronti dell'Acquirente.  | 13.2 | Finalità del trattamento.<br>I dati personali sono trattati nell'ambito della normale attività dell'azienda TDA S.r.l. per finalità relative a:<br>. Adempimento di obblighi fiscali o contabili;<br>. Gestione della clientela (amministrazione della clientela, amministrazione di contratti, ordini e fatture, gestione delle prenotazioni);<br>. Gestione dei fornitori (amministrazione dei fornitori, amministrazione di contratti, ordini, fatture, selezione in rapporto alle necessità dell'impresa);<br>. Preparazione di preventivi, gestione ed esecuzione di contratti.  |
| 7.5  | In ogni caso, e fatto salvo quanto sopra previsto per il caso di risoluzione del contratto, il risarcimento del danno effettivo subito dall'Acquirente per ritardare spedizioni imputabili a TDA Srl non potrà eccedere un importo massimo corrispondente al 5% del prezzo netto dei Prodotti spediti in ritardo.   | 13.3 | Destinatari o categorie di destinatari ai quali i dati personali possono essere comunicati.<br>I dati potranno essere trasmessi a società o persone esterne che svolgono attività strettamente connesse e strumentali alla gestione del rapporto commerciale, quali:<br>. istituti di credito e società di transazioni finanziarie;<br>. consulenti e liberi professionisti, singoli ed associati<br>Periodo di conservazione.<br>I dati personali saranno conservati per una durata massima di 10 anni dall'ultima fatturazione e/o fino alla conclusione del rapporto contrattuale e oltre solo per l'adempimento di obblighi fiscali e contabili.  |
| 7.6  | Sono comunque esclusi da ogni risarcimento i danni indiretti, consequenziali o punitivi.  | 13.4 | Diritti dell'interessato.<br>L'interessato ha diritto di ottenere dal Titolare la conferma che sia o meno in corso un trattamento di dati personali che lo riguardano e in tal caso ha il diritto di:<br>. ottenere l'accesso ai dati personali, chiederne la rettifica, la cancellazione, la limitazione o di opporsi al loro trattamento;<br>. ricevere in un formato strutturato, di uso comune e leggibile da dispositivo automatico i dati personali che lo riguardano e di trasmettere tali dati a un altro Titolare del trattamento (portabilità dei dati);<br>. essere informato dell'esistenza di un processo decisionale automatizzato, compresa la profilazione;<br>. revocare il consenso in qualsiasi momento, senza pregiudicare la liceità del trattamento basato sul consenso prestato prima della revoca;<br>. proporre reclamo all'Autorità di controllo. |
| 8.1  | <b>8. RECLAMI</b><br>E' inteso che eventuali reclami o contestazioni, riguardanti una parte dei Prodotti consegnati o una singola spedizione di Prodotti, non danno diritto all'Acquirente di sospendere o comunque ritardare i pagamenti dei Prodotti oggetto di contestazione, nè, tanto meno, di altre forniture.  | 13.5 |   |
| 9.1  | <b>9. FORO COMPETENTE</b><br>I contratti tra TDA Srl e l'Acquirente sono retti dalla legge italiana, con espressa esclusione di quanto previsto dalla Convenzione di Vienna del 1980 sulla vendita internazionale di merci.   | 13.6 |   |
| 9.2  | Per qualsiasi controversia tra le parti, relativa ai rapporti di compravendita o fornitura, alla loro instaurazione, esecuzione o cessazione, sarà esclusivamente competente il Foro di Milano - Italia.  |      |   |
| 9.3  | Tuttavia, in deroga a quanto sopra stabilito, TDA Srl ha comunque la facoltà di portare la controversia davanti al giudice competente presso la sede dell'Acquirente.   |      |   |
| 10.1 | <b>10. ECO CONTRIBUTO RAEE</b><br>I prezzi si intendono comprensivi da eco contributo RAEE.   |      |   |
| 11.1 | <b>11. FORZA MAGGIORE</b><br>Ciascuna parte potrà sospendere l'esecuzione dei propri obblighi contrattuali quando tale esecuzione sia resa impossibile o irragionevolmente onerosa da un impedimento imprevedibile indipendente dalla sua volontà, quale ad esempio sciopero, boicottaggio, serrata, incendio, guerra (dichiarata o non) guerra civile, sommosse e rivoluzioni, requisizioni, embargo, interruzioni di energia, ritardi nella consegna di componenti o materia prima.   |      |   |
| 11.2 | La parte che desidera avvalersi della presente clausola dovrà comunicare immediatamente per iscritto all'altra parte il verificarsi e la cessazione delle circostanze di forza maggiore.  |      |   |
| 11.3 | Qualora la sospensione dovuta a forza maggiore duri più di 6 settimane, ciascuna parte avrà il diritto di risolvere il presente contratto, previo un preavviso di 10 giorni, da comunicarsi alla controparte per iscritto.  |      |   |
| 12.1 | <b>12. PROPRIETA' INDUSTRIALE E INTELLETTUALE</b><br>L'Acquirente riconosce che i documenti, disegni, marchi, nomi, dati ed informazioni, (sia in forma cartacea, sia su supporto elettronico) relativi ai Prodotti sono di esclusiva proprietà di TDA Srl e non possono essere divulgati, alterati, modificati, rimossi o cancellati in qualsiasi modo.  |      |   |
| 12.2 | L'Acquirente si impegna a non riprodurli/divulgarli a terzi ed a limitarne l'uso allo specifico Prodotto acquistato.  |      |   |
| 12.3 | L'Acquirente ha il limitato diritto di uso dei marchi, nomi o altri segni distintivi così come di ogni altro diritto di privativa industriale o know-how produttivo e commerciale incorporato nei Prodotti e che rimane di proprietà esclusiva di TDA Srl, al solo e limitato fine di utilizzare o di rivendere i Prodotti al pubblico.   |      |   |

|------------------------------------|---|--|---|---|
| 1. VALIDITY AND MODIFICATION RIGHT |   | - if defect is due to the use of abrasive detergents or cleaning products not suitable for glass, anodized, laquered or varnished surfaces;<br>- if defective functioning is due to "force majeure" reasons;<br>- purchaser manumission of the product.  | 9. JURISDICTION   | 13. NOTICE  |
| 1.1                                | Any agreement subscribed by TDA srl for the sale of the products mentioned on the price list (hereinafter the "Products" and each of them the "Product" ) to any consumer (hereinafter referred to as "Buyer") will be subject to the present general sales conditions.   | 5.4 TDA Srl declines any responsibility for possible damages caused by bad installation or adjustments errors, incorrect use or no observance of all prescriptions indicated in product enclosed documents.  | 9.1 Agreements between TDA Srl and the Buyer are ruled by Italian law, with the exclusion of what required by the Wien Convention of 1980 on the international sale of goods.   | 13.1 Definition<br>The (EU) Regulation 679/2016 establishes that the interested party must be informed in advance about the use of data concerning him and that the processing of personal data shall be authorised only with the express consent of the subject concerned, except in circumstances provided for by law.  |
| 1.2                                | TDA srl can amend the present general sales conditions as well as the price list without notice.  | 5.5 TDA srl reserves the full right to technically and aesthetically modify the Product at anytime and without previous notice, including changes in volume and weight.  | 9.2 For any dispute between the parties relating to sale or supply relations, to their establishment, performance or termination, shall have as exclusive jurisdiction the Court of Milan – Italy.  |   |
| 2. PRODUCTS' FEATURES              |   | 6. SHIPMENT AND PRODUCTS RETURN  | 9.3 However, notwithstanding the provision above, TDA srl still has the power to bring the dispute before the competent court at the site of the Buyer.   | 13.2 Data controller<br>The Data controller is TDA S.r.l. - via Circonvallazione, 1 – 25020, San Gervasio Bresciano (BS) – Italia.<br>Tel. 030 9926311 - mail info@tda.it   |
| 2.1                                | In each sales agreement between TDA srl and the Buyer, all information concerning the Products shall be binding for both parties, except for specific written amendments.   | 6.1 Deliveries must be immediately inspected, in case of wrong items, and/or shortages, and/or any defect, have to be reported to the forwarder which is the only responsible for it. It is in the right of the receiver and the duty of the forwarder to control the delivery (without opening the package). A formal making specific notification on the delivery notes, the generic written sentence is not sufficient. | 10. WEEE CONTRIBUTION   |   |
| 2.2                                | Any technical information concerning the Products are indicative and not binding. The Products are made of different materials: TDA srl can make necessary improvements to the Products, keeping the basic characteristics and packaging unchanged.   | 6.2 Hidden damage: if on delivery, the goods show obvious packaging defects, they can be withdrawn, but the receiver is obliged to note the defects on the PoD marking them with "subject to inspection" and specifying the reasons, as stated in the current EU regulations. The claim for damages has to be sent to TDA Srl in writing within 7 days from delivery.  | 10.1 The Prices do not include the WEEE contribution.   | 13.3 Purposes of the processing<br>Personal data are processed as part of the normal activity of the company TDA S.r.l. for purposes relating to:<br>. Fulfillment of tax or accounting obligations;<br>. Customer management (customer administration, contract administration, orders and invoices, reservation management);<br>. Supplier management (supplier administration, contract administration, orders, invoices, selection in relation to the company's needs);<br>. Preparation of cost estimations, management and execution of contracts.  |
| 3. PRICE AND PAYMENT TERMS         |   | 6.3 Verified damage: in case of evident damage verified by the receiver and the forwarder, the damage evidence must be duly marked on PoD, indicating very clearly the quantity and the damaged product codes, checking if the damage is on the internal or external side. A further copy of PoD must be sent to TDA srl customer service that will arrange the possible replacement upon reception of the damaged goods.  | 11. FORCE MAJEURE   |   |
| 3.1                                | The current pricelist will be applied at the moment of signature of the Sales agreement. Prices are intended to be ex-works.  | 6.4 Unlike what is clearly specified on the paragraphs 6.2 and 6.3, TDA srl will not recognize any refund for the damage or breakage.  | 11.1 Either party may suspend performance of its contractual obligations when such performance is made impossible or unreasonably onerous by an unforeseeable obstacle beyond its control, such as strike, boycotting, lockouts, fire, war (declared or not), power interruptions, delays in delivery of components or materials.   |   |
| 3.2                                | In case of unsolved payment, TDA srl will stop deliveries of outstanding orders. The delivery time of the pending order will be recalculated, starting from the payment date according to standard timings expressed in this document. Payments for Products already delivered will not be subject to completion of the order.  | 6.5 No item can be returned without TDA Srl written permission. Authorized returns must be sent to our warehouse without charging transport costs, using TDA srl courier indicating the reference number.  | 11.2 The party wishing to make use of this clause must notify immediately in writing to the other part the occurrence and cessation of the circumstances of force majeure.  | 13.4 Addresses and addresses' categories to whom personal data can be communicated.<br>The data can be transmitted to a company or external persons who carry out instrumental activities strictly connected with the management of the commercial relationship, such as:<br>. financial institutions and financial transaction companies;<br>. advisors and legal professionals, individual or associated.   |
| 3.3                                | TDA srl has the right to calculate accruals on pending payments according to EU Directives.   | 7. DELIVERY TERMS  | 11.3 If the suspension due to force majeure lasts more than 6 weeks, each party shall be entitled to terminate this contract, with 10 days prior notice, to be notified to the other party in writing.  |   |
| 3.4                                | The agreed price, is valid until the delivery date as per order confirmation. If the delivery date is postponed, upon request of the Buyer or for reasons not depending on TDA srl, TDA srl can charge additional storage costs to the Buyer.   | 7.1 The delivery date as per order confirmation is not binding unless differently agreed by the Parties in writing.  | 12. INDUSTRIAL AND INTELLECTUAL PROPERTY  |   |
| 4. ORDER ACCEPTANCE                |   | 7.2 Where TDA srl is not in the condition to ship punctually, TDA Srl shall give notice to the Buyer, adding, if possible the new delivery date. If TDA Srl delay exceeds 6 weeks, the Buyer can terminate the commercial agreement, with 10 days written notice.  | 12.1 The Buyer acknowledges that the documents, drawings, logos, names, data and information (both in paper form, either in electronic form) are exclusive property of TDA srl and cannot be disclosed, altered, modified, removed or erased in any way.  | 13.5 Retention period<br>Personal data will be stored for a maximum duration of 10 years from the last invoicing and/or until the conclusion of the contractual relationship and beyond only for the fulfillment of fiscal and accounting obligations.  |
| 4.1                                | Orders will be considered valid only if made in writing.  | 7.3 Any delay due to "force majeure" or unforeseen events or incorrect delivery information from the Buyer is not considered TDA srl responsibility.   | 12.2 The Buyer agrees not to reproduce/disclose to third parties and to restrict their use to the specific Product purchased.   |   |
| 4.2                                | Any Sales Agreement between TDA srl and the Buyer will be accepted by TDA srl only in writing.  | 7.4 In case, for reasons independent from TDA Srl, shipment were not possible, TDA Srl will inform the Buyer and will decline any responsibility for the delay.  | 12.3 The Buyer shall have the limited right to use trademarks, names or other distinguishing marks as well as any other industrial executive right or manufacturing and commercial know-how associated with the goods, which remains exclusive property of TDA Srl, to the sole and limited purpose to utilize or resell the goods to the public. Any other use of the TDA Srl intellectual property by the Buyer, unless expressly, granted in writing by TDA Srl, will be considered an infringement of the TDA Srl exclusive rights by the Buyer, also in terms of contractual liability and, as such, will be prosecuted. | 13.6 Rights of the data subject<br>The data subject has the right to obtain from the Data Controller confirmation that he is or is not undergoing treatment of personal data concerning him; in this case he has the right to:<br>obtain access to personal data, request rectification, cancellation, limitation or oppose their processing;<br>receive, in a structured, machine-readable and commonly used format, personal data concerning him and to transmit such data to another Data Controller (data portability);<br>be informed of the existence of an automated decision-making process, including profiling;<br>revoke the consent at any time, without prejudice to the lawfulness of the treatment based on the consent given prior to the revocation;<br>submit a complaint to the Supervisory Authority. |
| 4.3                                | Order and/or amendments to orders shall be confirmed by the buyer in writing.   | 7.5 In any case, and except in case of contract termination, the compensation for loss occurred for delays in deliveries due to TDA srl responsibility will not exceed a maximum the amount equal to 5% of the net value of the above order.   | 12.4 All catalogues, as well as samples and products' price lists (excluding those for illustrative and advertising purposes only) made available to the Purchaser by the TDA Srl, must not be handed out, shown to third parties, or reproduced without the TDA Srl prior written authorisation. All materials must, on mere request, be returned to the TDA Srl.  |   |
| 4.4                                | For orders value less than € 250,00 (VAT excluded) TDA will charge additional € 10,00 (excluding VAT) for transport costs.  | 7.6 The payment of the above amount will not be followed by any other reimbursement.   | 12.5 The conformity of the product with the samples supplied to the Purchaser both in the first and in the next supplies may differ from the product sold on the base of technical modifications as well as to the physical substance of the sample (e.g. colours, materials, dimensions, etc.) and caused by environmental factors (e.g. damp, exposure to sunlight etc.).   | 13.7 Nature of data and consequence of the failure to notify Without the processing and communication of data of a compulsory nature for the described purposes, the requested services and/or products, in whole or in part, cannot be provided to the interested party.   |
| 4.5                                | TDA srl will decide upon feasibility of Customized Products and will fix prices and delivery terms.   | 8. COMPLAINTS  |   |   |
| 4.6                                | Cancellation of special products orders will not be accepted.   | 8.1 It is agreed that any complaints or disputes concerning any part of the delivered Products or a single shipment of Products, do not entitle the Buyer to suspend or delay the payment of the order or of new orders.   |   |   |
| 5. PRODUCT COMPLIANCE              |   |  |   |   |
| 5.1                                | TDA srl warranty is 24 months valid according to the Eu Directives. It covers manufacturing and components faults only. Claims must be forwarded to TDA srl in writing and before installation, adding purchasing documents, pictures etc.  |  |   |   |
| 5.2                                | TDA Srl warranty will cover the replacement of faulty elements. TDA srl technical team will check the claimed damage before giving authorization.   |  |   |   |
| 5.3                                | TDA srl warranty will not cover the following:<br>- if defect has reference to transport;<br>- tempered glass parts crashes installation is not performed properly according to TDA srl instructions;<br>- if functioning defect is due to unauthorised technical intervention on product;<br>- if defective functioning is due to normal usury, or to the purchaser negligence or carelessness following product indication; |  |   |   |
